# Division III — The Chronological Role

## PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Chronological Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form, and in alphabetical order. It is our hope that we can present a more detailed as well as a more accurate record of each minister. The information in this division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval. — The Conference Secretary

Symbols used *before* each name denote the category of conference relationship and the numbers indicate place in the chronological (or other) order. Hence R — 1 means the first place in the Retired category. AM — Associate Member; DIS — Disability; FC — Effective Members (Full Connection); FT — Full Time; LP — Local Pastor; PM — Probationary Member; PT — Part Time; R — Retired; S — Supply; SLP — Student Local Pastor; AFM — Affiliate Member; HM — Honorary Member.

The Symbols used *after* the name are as follows: D — When Ordained Deacon; E — When Ordained Elder; A — When Admitted on Trial or as a Probationer; FC — When Admitted into Full Membership; T — When Transferred into this Conference; LP — When Approved as a Lay Pastor or Approved Pastor; AM — When Approved as an Associate Member; and PT — Part Time Minister (one who has other employment). \* — No Record of Attendance at Annual Conference.

NOTE—The service years listed with each person are included as INFORMATION ONLY. While every effort is made to make this accurate, it is not the secretary's responsibility to determine the ramifications of pension credit. This is the responsibility of the Board of Pensions. So, if the listed number of service years does not seem to be correct in your case, you will need to get in touch with the Board of Pensions. —The Conference Secretary.

### Introduction

“The Annual Conference for its own government may adopt rules and regulations not in conflict with the *Discipline* of The United Methodist Church, provided that in exercise of its powers each Annual Conference shall act in all respects in harmony with the policy of The United Methodist Church with respect to elimination of discrimination on the basis of race.” (Par. 703.1)

1. Matters relating to these rules:

(a) These rules shall be effective after passage until they are rescinded or amended by a two-thirds vote of those present and voting on the next day after the amendment has been presented in writing.

(b) Any of these rules, except Rule 1(c) may be suspended by a two-thirds vote of those present and voting.

(c) A change in the number of districts may not be made later than the first morning business session.

The conference secretary, the assistant secretary for the *Journal*, the statistician, and the treasurer shall be elected at the first session of the Annual Conference following the General Conference, with tenure of office to begin on December first following their election, and to serve for the succeeding quadrennium. (Par. 702.6 and 715.1)

The caucus shall be held prior to March 1 and data for publication shall be provided the editor no later than the 4th Monday in March. ## Division V — Parsonages

### Recommended Standards For Locating, Building, Furnishing And Maintaining Parsonages In The Alabama-West Florida Conference

The parsonage has long been considered an integral part of the religious establishment in the community. This, a suitable home for the minister and his family is an asset of very real value to the church and its work. If the minister and his family are comfortable and conveniently housed, his efficiency and emotional comfort are greatly enhanced. He should be relieved of the trying and expensive task of either acquiring or discarding certain furnishings and equipment each time he moves. The minister who most often experiences this is the minister who can least afford it.

An adequate, attractive and comfortable parsonage home for the minister and his average size family should be the goal of every pastoral charge of our Conference. Its standards and appointments should be at least those of the community in which it is located. It is the responsibility of the pastoral charge to provide such a home. Our Conference has long felt it is the privilege and responsibility of the pastoral charge to provide the basic furnishings and equipment for every parsonage. In addition to the standards for acquiring, building and maintaining a parsonage as set forth in *The Book of Discipline of The United Methodist Church*, the following standards are recommended as goals to be worked toward in building, furnishing, equipping, improving and maintaining a parsonage within the bounds of the Alabama-West Florida Conference. Upon adoption by the annual session of the Conference these standards shall become the policy of the Conference and shall be included annually in the summer mailing of the Council on Ministries of the Conference program sent to each pastoral charge. In each mailing there shall be a separate copy for each of the following: the chairperson of the Parsonage Committee, the chairperson for the Board of Trustees, and the chairperson of the Administrative Board.

### Responsibility

1. The pastoral charge shall provide an adequate, comfortable, and attractive residence for the minister and his family and maintain the proper upkeep and furnishings and equipment of the same.

2. The parsonage property shall conform to all the rules and regulations as set forth in *The Book of Discipline of The United Methodist Church*.

3. The parsonage is owned and maintained by the pastoral charge. However, the acquiring of a new parsonage, either by purchase or building, must be approved by the District Board of Church Location and Building.

4. The pastoral charge Board of Trustees/Parsonage Committee shall inspect the grounds, building, furnishings, and equipment annually to ascertain needed maintenance, repairs and/or replacement or improvement and up-dating. The minister and his wife should be included as part of the inspection team. A report will be made annually to the Charge Conference and to the congregation concerning the needs of the parsonage.

5. Both the Board of Trustees/The Parsonage Committee and the parsonage family should be furnished with a complete and up-to-date list of furnishings and equipment.

6. The parsonage family should have the following information:

- A. Instructions for operation of:
- B. Location of vital switches and valves:
- C. Whom to call in case of:
- D. Where to find:
- E. How to fix:

7. The deposit for all public utilities (electricity, water, gas, telephone, TV cable service, etc.) is the responsibility of the pastoral charge Board of Trustees/Parsonage Committee and should be paid for from the Parsonage Fund. When there is a change in ministers these utilities

should not be disconnected. However, the utility companies should be requested to read all meters to avoid confusion in an orderly change of ministers.

#### LOCATION

1. In acquiring or building a new parsonage or in the event extensive renovation is being considered, ask: (A) Will the location be conducive to good living on the part of the parsonage family? (B) Is the location convenient to shopping/schools?

2. Where possible, the parsonage should be located within walking distance of the church.

3. It is generally felt that the parsonage should not be located next door to the church. When such is the case, there is often a tendency for the church membership to encroach upon the privacy of the home life of the parsonage family.

4. The location or site of a new parsonage must be approved by the District Board of Church Location and Building.

### House Arrangement, Furnishings and Equipment

1. No parsonage should contain fewer than six rooms. There should be a minimum of three bedrooms with ample closet space in each; living room, dining room, kitchen and bath. Additional rooms might be: a second or half-bath, study, family room or den, extra bedroom and a garage or carport.

2. The living room should be large enough so that entertaining is possible, if desired. A minimum of 320 sq. ft. is considered practical. Ideally the living room should be easily separated or closed off from the rest of the house so that its use can be versatile. Furnishings should include all heavy furnishings such as couch, occasional chairs, tables, lamps, pictures, rugs or carpet, and draperies or curtains.

3. With respect to the dining room, it is desirable that the room be large enough to seat eight for a meal and that, if possible, it should be separate from the living room and kitchen. Furnishings should include all heavy furnishings such as dining table, chairs, china closet and/or buffet, and rugs or carpet, pictures and draperies or curtains.

4. Room arrangements vary from parsonage to parsonage, but where possible, there should be included an area where the family can be "at ease," whether it be a kitchen-family room, den or recreation room. Whichever it might be, it should contain a minimum of 224 sq. ft. A fireplace in the family room is a real asset. Furnishings should include all heavy furniture such as couch, comfortable chairs, desk and tables plus fire screen and tools, lamps, pictures, rugs or carpet and draperies or curtains.

5. There should be a minimum of three bedrooms. If possible, a private bath should be connected to the principal bedroom. Furnishings should include all heavy furniture such as beds (at least one bedroom with twin beds), good mattresses, mattress covers, bed spreads, pillows, box springs, dressers, and/or chest of drawers, plus rugs or carpet, draperies, or curtains, lamps, pictures, and adequate closet space. At least one full length mirror should be provided.

6. One and a half baths are considered essential, and it is strongly felt that two full baths should be provided.

7. Kitchen floors and surfaces should be as easy to care for as possible (linoleum or suitable equivalent should be used). A complete minimum kitchen should include: an electric or gas range, hot and cold running water, a double sink, frost-free refrigerator with freezer compartment adequate for one week's supply of food, 10-12 linear feet of built-in counter work surfaces of proper size and height, adequate storage cabinets or closet for food, utensils, linens, etc., breakfast table and chairs, good light, inexpensive dishes and silverware for use by incoming and outgoing families, an adequate number of electrical outlets, and curtains for all windows. In addition, the parsonage should contain as many labor-saving conveniences as can be afforded. The church itself will benefit from such arrangements. The following are suggested additions: automatic dishwasher, serving table on wheels, and a step-stool for high places.

8. A utility area should be provided that contains a hot water heater adequate for six or more persons, automatic clothes washer, automatic clothes dryer, cleaning supply cabinet or closet, work table or area and sink.

9. A minister's study is desirable in the parsonage even when an office-study is provided in the church. This is a must if such provisions are not made for it at the church. Furnishings will

include a desk and office chair, book cases, rugs or carpet, pictures, lamps, typewriter stand, chairs, and a studio couch which can be made into a bed for overnight guests, and draperies or curtains. In the event there is no office at the church, additional equipment such as a typewriter, mimeograph machine, filing cabinets, storage closet for supplies and other necessary equipment will be required.

- 10. Other facilities:
  - A. An adequate heating and air-conditioning system, preferably a centrally located and automatically controlled system which should always be maintained in good working order.
  - B. Adequate closet and storage space throughout the house.
  - C. Adequate shelter for the minister's car, either a carport or garage providing space for two cars.
  - D. The parsonage should be equipped with an adequate TV antenna or Cable TV connection.
  - E. A vacuum cleaner should be a part of the parsonage equipment, especially if the house is fully carpeted.
  - F. Provisions should be provided for emergency escape from the house in the event of fire, especially if the bedrooms are on the second level of the house.
  - G. All windows and doors should be in good working condition with glass and screens and, in light of the energy crisis, it will be helpful to provide storm doors and windows.
  - H. The busy minister's wife will appreciate a desk where she can care for her work.
  - I. There should be easy and direct passage, if possible, from the kitchen to the bedrooms without going through the living room or study.
  - J. Sufficient electrical receptacles complying with building code are needed.

11. Suggested room sizes not including closets are (as adopted from Board of Architecture, National Division, Board of Global Ministries):

| Room               | Minimum     | Good        | Excellent   |
|--------------------|-------------|-------------|-------------|
| Living room        | 240 sq. ft. | 280 sq. ft. | 320 sq. ft. |
| Bedrooms           | 120 sq. ft. | 180 sq. ft. | 210 sq. ft. |
| Dining room        | 120 (for 6) | 179 (for 8) | 210 sq. ft. |
| Family room or Den | 224 sq. ft. | 252 sq. ft. | 320 sq. ft. |
| Kitchen            | 90 sq. ft.  | 140 sq. ft. | 180 sq. ft. |
| Study              | 80 sq. ft.  | 96 sq. ft.  | 120 sq. ft. |
| Baths              | 35 sq. ft.  | 50 sq. ft.  | 60 sq. ft.  |

The Minister's Family Will Provide

- 2. Quilts and blankets
- 3. Dishes, China and Crystal
- 4. Silverware
- 5. Cooking utensils and small kitchen appliances
- 6. TV's, radios and family entertainment equipment
- 7. Personal items and special equipment needed
- 8. Insurance on all personal belongings

Parsonage Grounds

- 1. The parsonage grounds should include adequate front, side, and rear yards with a fenced in area to provide play areas for small children.
- 2. All permanent planting such as trees and foundation shrubbery is the responsibility of the church and planned by a landscape architect whenever possible. A minimum of two outdoor water faucets should be provided for the watering of the lawn, plants, and other outdoor needs.
- 3. There should be adequate drainage of all surface water from the yard area; an adequate and good-working septic tank or public sewer connection; availability of all public utilities; and an outdoor clothes drying line.

4. An adequate and good-working power mower is an essential part of the parsonage equipment if the lawn is not cared for by the church.
5. An outdoor patio area with some patio furniture is a happy addition
6. Landscaping and exterior care of the parsonage should be a credit to the church in the community.

## Care of the Property

1. The minister and his family should care for the parsonage as good stewards for the Lord's property, carefully avoiding undue wear and tear, but at the same time they should "be at home" in the parsonage, knowing that the home and furnishings are to be used with inevitable and expected depreciation.

2. The minister and his family are responsible for the repair or replacement of furnishings when, through negligent use of furnishings, breakage results, but ordinary wear and tear, such as is expected when a house is lived in, is the responsibility of the Board of Trustees/Parsonage Committee.

3. An adequate amount should be placed in the church budget annually for insurance of the building, furnishings, and equipment and for public liability. The minimum amount of insurance carried on the parsonage should be equal to three-fourths of the replacement value of the building, furnishings, and equipment. The minister is responsible for insuring all his family's personal items.

4. There will be a natural depreciation of property and furnishings which calls for repairs and replacements.

It is extremely helpful to have a plan as to what repairs, replacements, or additions will be made to the parsonage, even if for financial reasons some of them have to be postponed. It is easier for the Minister's family to live in an inadequate situation if they know there is an intention and desire for improvement on the part of the church.

6. Each pastoral charge should place an amount in the budget annually for normal maintenance and repairs to the building, furnishings, and equipment or the replacement of same if necessary. The minimum budget amount for the maintenance expenditures should be equal to 2½% of the value of the parsonage, furnishings, and equipment.

7. Time and funds placed in the parsonage to keep it in good condition are good investments and may very well serve as a preventive to even greater expenditures in the future.

All broken and worn-out furniture or equipment should be removed, and not stored in the attic or basement.

9. The Board of Trustees/Parsonage Committee shall be responsible for seeing that all necessary work is completed to keep the parsonage and furnishings in good repair.

10. The minister's wife should be consulted in the selection of furnishings and equipment. Moreover, her taste should be considered in determining color schemes.

11. All electrical appliances, wiring and service panels as well as gas furnaces and appliances should be inspected periodically to ascertain if safe and adequate.

## When There Is a Change in Ministers

1. Serious problems arise at moving time when the time between departure of outgoing pastor and arrival of incoming one may be simultaneous. A clean parsonage is much to be desired by all. The following are set as guidelines so that we can more nearly arrive at some conclusion as to "what is a clean parsonage?"

2. It is urged that a minister's family try to do periodic cleaning so that when moving time comes the task of leaving a clean house will not be overwhelming. Each family is urged now to clear out unusable items (lamps, chairs, old curtains, etc.) that have accumulated in attics, basements and garages, this being done with the approval of the parsonage committee.

3. As close to moving time as possible, each family should wash windows, screens, and window sills, and leave curtains, draperies, carpets, shades and blinds clean. If needed, a professional cleaner should be used.

4. Special attention should be given to particular areas. Drawers and closets should be left empty and clean. Cabinets in bathrooms, kitchens, storage rooms and attics should be empty and clean. As already mentioned, mattresses and springs should be vacuumed and in good repair. The refrigerator and stove, as well as all other appliances, should be clean and in working order. Check light fixtures, exhaust fans, hot and cold air ducts to assure cleanliness.

5. Floors should be clean and waxed. Sanding and refinishing are the responsibility of the church. Walls and woodwork should be painted at least every four years, or more often if needed, especially in much-used rooms (kitchen, den, children's rooms) with care being taken by the parsonage family to clean areas where a little cleanser can do the job.

Periodic pest extermination of both new and old parsonage should be made, the expense to be borne by the church.

6. The outgoing minister's family should be responsible for leaving the parsonage clean and every minister should strive to leave his parsonage in better condition than he found it.

7. The Board of Trustees/Parsonage Committee should be responsible for thoroughly cleaning and preparing the parsonage for the reception of the new parsonage family.

8. All utilities should be in the name of the church so they are left connected when the outgoing minister moves.

9. Pets should be kept out of doors. Damage done to the parsonage or its furnishings by pets are the responsibility of the minister whose pet(s) caused the damage.

10. The Board of Trustees/Parsonage Committee should tour the parsonage with the incoming minister to explain special situations, certain conditions and plans and to ask if there are specific needs that he or his family has that are not provided for in the parsonage.

11. The District Superintendent will notify the churches in his District that it is Conference policy for the receiving church to pay the moving expenses of the incoming minister.

## **The Board of Trustees/Parsonage Committee**

1. The Board of Trustees/Parsonage Committee should meet often enough and be familiar enough with parsonage needs to take the initiative in improving the parsonage. However, no inspection of the parsonage should take place without the common courtesy of first notifying the minister's wife of the date and time, and to ask if this is convenient. In fact, it is recommended that the minister's wife be a member of the Parsonage Committee.

2. It is suggested that this committee visit other parsonages, particularly those recommended by the district superintendent as being representatives of these standards.

3. Maintain duplicate inventory lists of furnishings and equipment, one at the parsonage and the other in the committee's records.

4. When a gift of furniture or equipment is presented, designate specifically whether it is to remain in the parsonage or is a personal gift to the minister and his family.

5. Discarded furniture or equipment from member families of the congregation should not be accepted by the committee nor placed in the parsonage for use except in extreme cases of emergency and then only on a temporary basis.

6. Provide necessary food, help and counsel for the incoming parsonage family. Moving day can be a hectic day in the life of any parsonage family and thoughtful and helpful courtesies are genuinely appreciated.

7. Suggest that member families of the congregation give the new parsonage family time to "get settled" before calling on them in order that they might present their best selves.

## **Other Suggestions**

1. The congregation likes to see the parsonage; therefore it is suggested that "open house" be held from time to time. The Parsonage Committee or some other organization in the church might help the minister's wife sponsor such an event.

2. The parsonage is the home of the minister and his family during their occupancy, and their rights and privacy should always be observed by the members of the congregation. However, the parsonage family should take good care of all parsonage property, never abusing it and observing the rule to always leave the parsonage in better condition than they found it.

3. If an adequate parsonage is to be provided and maintained there is involved a definite plan of procedure which is to be understood and observed by both the church committee and the minister's family. Best results are obtained as the minister's family and the church committee work together, feeling perfectly free to discuss the needs with each other. The adequate, comfortable and attractive parsonage is brought about by common understanding and cooperation between both the family and the church committee. Thus, the objective of the parsonage family will be to give the parsonage and its furnishings the best of care. The objective of the church committee will be to promote the living efficiency of the parsonage family and their comfort.

4. It should be remembered that a house reflects character, and that the condition of the parsonage is no negligible element in the reputation both of the tenant and the owner. Happy is the minister who can be proud of his church and for the kind of parsonage provided for his use. Happy is the church whose parsonage family cares for the home provided for them as good stewards.

It is clearly the responsibility of the local pastoral charge to give attention to the matter of providing an adequate, attractive and comfortable home for the minister. Let the pastoral charges accept this duty and render this important service to the minister's family to the very best of their ability.

# Reports Of Boards And Agencies

### BOARD OF ORDAINED MINISTRY

As it has been for all conference agencies, the 1980-81 conference years have been a time of organization and transition for the Board of Ordained Ministry. The 1980 General Conference left the Board with several new areas of responsibility and changes in several areas of its continuing work. Our Board has sought to assume these new responsibilities and interpret the changes in the processes and requirements in the various areas of ministerial relations to the annual conference.

Two areas of special concern are Ministerial Continuing Education and Ministerial Evaluation. Groups are working in cooperation with the Cabinet to fulfill the directives of the 1980 Discipline in these areas.

As to the requirements and processes for entering the ministry of The United Methodist Church, changes were initiated in several areas by the 1980 General Conference. In an effort to clarify these requirements, the Board of Ordained Ministry has published a leaflet entitled "So You Want To Be a United Methodist Minister." It contains all of the requirements and descriptions of the process that needs to be followed by persons entering the ministry in our conference and church. It is available to all persons in the process of entering the ministry. We encourage all District Superintendents, District Committees on the Ministry and Pastors to secure copies and to be familiar with these processes and help interpret them to all persons interested in the ministry.

Significant changes were also initiated by the General Conference in the area of the termination of ministerial conference membership. In accordance with Paragraph 449 of the 1980 Discipline the Joint Review Committee has been organized. It consists of three representatives from the Cabinet and three representatives from the Board of Ordained Ministry.

The Board of Ordained Ministry is currently organized into three sections. Outlined below are those three sections and the major responsibilities and activities in each of them:

#### *Local Pastors*

Receive reports from District Committees of Ministry of persons certified as Candidates for the Ordained Ministry and report these to the Annual Conference.

Conduct Local Pastors Licensing Schools.

Keep records on all Local Pastors and their progress in the Course of Study.

Interview first-time Local Pastors.

Receive from the District Committees on Ministry and recommend to the Annual Conference persons to be Licensed as Local Pastors each year.

Assist persons in attending the Course Of Study School in the summer.

#### *Membership and Ordination*

Guide persons in meeting the requirements for Associate, Probationary and Full Connection membership in the conference.

Keep records and give guidance to all persons while they are Probationary Members.

Keep in touch with all seminary students by visiting seminaries annually.

Plan for ordinations service and presentation of stoles to persons being ordained elders.

#### *Conference Relations*

In cooperation with the cabinet guide the process of recommending persons to the Annual Conference for appointments beyond the Local Church.

Bring to the Annual Conference recommendations in the areas of: Less-than-full-time service, Leave of Absence, Disability Leaves, Retirements, Voluntary Termination of Conference Membership and Involuntary Termination of Conference Membership.

A continuing concern of the Board of Ordained Ministry is the Ministerial Education Fund. Each Local Church receives an annual asking for this fund and it is vital that the asking be paid 100%. The fund is divided: 75% goes to the general church to be divided among our seminaries, with 25% remaining in our Annual Conference. The 25% is used by the Board of Ordained

Ministry to give assistance to our Local Pastors in attending school in the summer and to our students in seminary. The amount contributed by our churches determines how much assistance we are able to give to these two important groups of our ministers.

In addition to the work in the areas already mentioned in this report, the Board of Ordained Ministry's work includes:

Testing and Guidance, Counseling Elders and Ministerial Recruitment. We invite the interest and cooperation of all ministers and the laity in fulfilling the responsibilities of the conference in each of these vital areas of the ministerial life of our conference.

James P. Dannelly, Jr.  
Chairman

### COMMITTEE ON CONTINUING EDUCATION

Continuing education is an individual's own personally designed learning program which begins when basic formal education ends and continues throughout a career even into retirement. As an unfolding process, it links together personal study, reflection, and participation in organized group events. Because of the uniqueness of each minister's call, ministry, and background, it largely falls to the individual minister to discover his/her own areas of greatest educational need and to plan a program of continuing education accordingly. However, evaluation by professionals, district superintendents, peers, and local church Pastor-Parish Relation Committees can also help define the need for planning a continuing education program. For some, it will mean sharpening practical skills and learning new techniques for specialized ministries. For others it will mean broadening the base of one's own general knowledge and widening the scope vision to better discern the will of God in our world today. In general, continuing education should include a balance of both in order to provide The United Methodist Church with competent, growing, spiritually healthy and maturing ministers serving her Lord effectively and efficiently.

With this in mind, the Committee on Continuing Education recommends the following:

1. That all ministers, having completed their formal education for ministry, submit an annual report of their continuing education — both for the past year's work and the next year's planning — at each fall charge conference.
2. That all ministers seek diligently the cooperation of their Pastor-Parish Relations Committee, the district superintendent, other ministers and/or professionals capable of providing help in evaluation and needs assessment, to the end that they may plan a program of continuing education based on their findings.
3. That the local church Pastor Parish Relations Committee be encouraged to assist the minister in his/her continuing education by
  - (a) working with the minister to assess needs and goals for his/her continuing education.
  - (b) providing a minimum of one week per year and one month per quadrennium apart from vacation time for continuing education.
  - (c) providing for a portion of the minister's continuing education expenses by appropriating funds in the local church budget.
4. That the Committee on Continuing Education strive during the coming conference year to:
  - (a) provide opportunities for ministers in planning, executing, and reporting their own program of continuing education.
  - (b) set minimum standards for the conference continuing education program.
  - (c) serve as a clearing house for continuing education programs and events, and award scholarships as funding is available.
  - (d) keep ministers abreast of continuing education events and opportunities.

Fred E. Zeigler, Jr., Chairperson

Scholarships and Loans Committee

AREA BOARD OF PASTORAL CARE AND COUNSELING

The Area Board of Pastoral Care and Counseling has continued to serve the clergy, professional staff, and their families during 1980. Direct service counseling, consultation and supervision continues to require 60 to 65 percent of the Director's and Associate-in-Training's time. A total of 146 individuals, couples, or families have been seen this past year by the Director and the Associate-in-Training. The Director's case load ranges from 14-22 face-to-face interviews weekly and the Associate-in-Training sees approximately 6 face-to-face interviews weekly. The clergy are taking full advantage of the service.

Of significance is the increasing request for supervision by United Methodist ministers of their counseling work. Our Director is now providing on-going supervision to several clergy who are gaining continuing education and for some certified hours of supervision toward accreditation with some professional counseling association. This service is not only of great assistance to the clergy themselves but directly assists the members of their congregations who are recipients of their counsel.

The Area Board is now nearing the end of its first two-year training program in pastoral, marriage and family counseling residency. The program has been a joint effort of Carraway Methodist Medical Center's Clinical Pastoral Education Department and our Board. It has been very successful and we are now advertising for a new Associate-in-Training to begin September, 1981. The Reverend Mr. Tim Thomas will complete his training in August. This program continues to provide an in-depth training experience for someone interested in specialized counseling training and also significantly increases our capacity to respond to counseling requests.

The Area Board is more and more being viewed by other agencies within our annual conferences as a resource for continuing education and consultation. Our Executive Director continues to work closely with the respective Boards of Ordained Ministry in training events, interview training and consultation.

The upcoming Convocation on Pastoral Care co-sponsored by our board, Birmingham-Southern College, and the respective Boards of Ordained Ministry is scheduled for November 10, 11, and 12, 1981 on the campus of Birmingham-Southern College. This event is considered one of the major continuing education events of 1981. Clergy and spouses are encouraged to attend and churches are being encouraged to provide scholarships for both the minister and spouse. Our resource people involve top leadership from around the country; Dr. Howard Clinebell of the Claremont School of Theology in California, Dr. Paul Pruyser of the Menninger Foundation, and Dr. Peggy Way of Vanderbilt Divinity School. One additional person for which it is a special delight to announce is Dr. William Clements of the Iowa Medical Center. Dr. Clements was the first Executive Director of this office.

Support groups for clergy continue to be a priority concern for our office. Clergy marriages and family life will be a priority emphasis for 1982. Specific plans for this concern will be announced early in 1982. Our Executive Director was privileged to address the College of Bishops in February concerning the Interface of Marriage and Ministry. Bishop Robertson is highly supportive of our concern for positive supportive ministry for the healthy family.

Finally, the Area Board of Pastoral Care and Counseling recognized with Honorary Life Memberships in March 1981 three persons who have literally given their lives to this board and its work: Dr. Denson N. Franklin, pastor of the Canterbury United Methodist Church and the first Chairperson of this board formed in 1966; Dr. A.B. Stevens, prominent psychiatrist, and for years our primary resource within the psychiatric community; and Chaplain John Weath-

ers of Carraway United Methodist Center, a strong supporter providing not only himself but an institutional setting directly related to our healing task.

Respectfully Submitted,  
Harriette Huckaby, Chairperson  
Charles E. Alexander, Executive Director

### BOARD OF DIACONAL MINISTRY

Our Board of Diaconal Ministry is now five years old and we have survived those early years of learning to walk and talk. As we grow older we become more confident and strong as we endeavor to be true servants of the Church. The process in becoming a professional Diaconal Minister of The United Methodist Church requires specialized training in special areas of ministry including studies in Bible, theology, church history, United Methodist doctrine and polity, and the mission of the Church in the contemporary world.

In order to become a Diaconal Minister, a person must have a personal commitment to Jesus Christ and the ministry of the Christian church, and must have responded to "the call" to professional ministry. A written statement must be submitted and examined by the Pastor-Parish Relations Committee of the local church where they have been an active member for at least one year. Persons must be recommended by a two-thirds vote of the Charge Conference where they hold church membership and then must submit request for candidacy in writing to Conference Board of Diaconal Ministry. Educational requirements include a high school graduation, bachelors degree, graduate theological degree or masters degree or professional certification in specific field (this usually means a masters degree to qualify for certification) and completion of basic studies of Christian faith through the graduate degree or foundational course of study. The new ruling in 1980 requires persons to be in candidacy for at least one year before consecration as a Diaconal Minister; requires satisfactory statement of good health; requires employment for at least one year in a position approved by Conference Board of Diaconal Ministry. Application for consecration comes through the Annual Conference Board where the person holds church membership and requires a recommendation to the Annual Conference from that board where they must receive a favorable vote of the Annual Conference. The Bishop must consecrate the Diaconal Minister in a session of the Annual Conference. This consecration is the Church's recognition of God's call, the individual's response to that call, and the authorization of such persons for designated service and ministry through The United Methodist Church.

Consecrated Diaconal Ministers are seated in the Annual Conference and granted the appropriate benefits such a relationship makes possible. We have a voice but receive a vote only if there are enough available spots as lay persons to equalize the vote.

Our Conference Board of Diaconal Ministers has set high standards in measuring the work being done for annual re-certification by church educators and musicians. This includes reading a minimum of four books annually, writing a short report, and receiving the equivalent of six units of continuing education each year.

Our Conference Board is responsible presently for 22 Diaconal Ministers, 12 certified church musicians and one music assistant; 20 certified Christian educators and ten educational assistants. We have seven candidates for the diaconal ministry.

A small scholarship loan fund has been established. There is a vital need for these funds as we find more people wanting to enter this specialized ministry of the Church. We are pleased that the Conference committee has allotted us a much-needed increase in this area to set up a loan fund.

Our board joined the Board of Ordained Ministry in sponsoring the second Multiple Staff Seminar at Blue Lake this year with Richard Murray of Perkins School of Theology as leader. We will be jointly responsible with the Ordained Board in producing the Convocation on Pastoral Counseling this year at Birmingham Southern November 10-12.

This board has had strong support from its members and is eager to continue through efforts of time, caring and supportiveness to our members.

## BOARD OF HEALTH AND WELFARE MINISTRIES

## REPORT NO. 1

The United Methodist Church is very much involved in the health care concerns and the well-being of people all across this country. Genuine concern for human health and welfare, shown at its best in unselfish service, is freedom's best safeguard. So strong was this concern among early Methodists that John Wesley gave his motto of service: "Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you live."

Through the growth of unity among Christians today, the concern among United Methodists for human health and welfare is gaining momentum. When you render acts of service, you are ministering in the Master's stead — "Inasmuch as you have done it unto one of the least of these my brethren, you have done it unto me."

The Board of Health and Welfare Ministries of the Alabama-West Florida Conference seeks to express this God-given caring as we share with the overlooked children, the disturbed youth, and the forgotten elderly. Unless someone close to you is a resident of one of the United Methodist homes, you may not be aware of the kinds of care your generosity has helped to insure. Often it is not more advanced age alone that dictates the level of care required by an individual. Some of our elderly are able to do the most for themselves.

The man and the woman in the pew — every pew — from the small rural or open country church to the large, urban, high-steepled church, United Methodist men and women, children and youth, are reaching out and effectively touching the lives and healing the hurt of humanity through the two hundred and sixty (260) health and welfare ministries agencies.

Every United Methodist is deeply involved in the helping and healing ministry of the denomination where lives are touched, helped, healed, strengthened, and enriched in a miraculous way! Your open hearts and open hands have been an inspiration to all of us who labor in a caring and sharing ministry to children, youth and adults. With the evidence of your caring about others, we know that we will find the faith and support to do what must be done. Wherever there is a gift to be given, please remember there is always a United Methodist home which can use your help to help others.

The White Christmas Offering for our United Methodist Children's Homes must continue to increase, so that our ministry to children and their families may expand and serve more persons in other parts of Alabama and West Florida. The local church has responded to the call and we are most grateful to you.

A very fine representation from our district directors and members of the Board of Health and Welfare Ministries attended a meeting at the United Methodist Children's Home in Selma, Alabama on October 28, 1980, to receive both inspiration and information for the White Christmas emphasis. As of March 18 (9½ months report — June 1, 1980 through March 9, 1981) the total amount contributed was \$366,737.00.

A Conference-Wide Health and Welfare Ministries Workshop met at Wesley Manor (Dothan) on March 17 with over 150 persons in attendance. Each district was represented and approximately sixty local congregations of interested persons in Health and Welfare Ministries. Miss June Shimokawa, executive staff member of the Division of Health and Welfare Ministries of the UMC Board of Global Ministries, was the keynote speaker and directed attention to our responsibilities and opportunities. An excellent filmstrip: *Something to Give* illustrates some local church ministries.

A Ground Breaking Ceremony of Wesley Terrace in Auburn/Opelika took place on March 20, 1981. This Facility should be ready for occupancy by the middle of 1982. Upon completion of Wesley Terrace — we will be providing home and daily care for 1,025 persons.

We urge a much wider showing of the film "Unto One Of The Least of These" (United Methodist Children's Home) and of the film "A Gift Of Love" (United Methodist Homes For The Aging) as a motivation for our ministry throughout the conference. These are available free of charge for your showing.

We are happy to cooperate with District Directors of Health and Welfare Ministries for participation by every district in the Chaplain-In-Service program each week at Wesley Manor in Dothan, Alabama.

The District Directors of Health and Welfare Ministries are to be commended for their fine

spirit of cooperation and active participation in the total program and work of the Board of Health and Welfare Ministries. These district directors are:

During November, 1980 three "Listening Posts" were conducted in Dothan, Mobile, and Montgomery, Alabama. Dr. Robert Pitzer with representatives of our Board of Health and Welfare Ministries listened to persons with handicapping conditions and their parents or guardians, as they shared some of their needs and suggested ways in which the church can work with them in meeting these needs. Our Conference is observing "International Year of Disabled Persons" throughout 1981. A study conducted several years ago indicated that as many as ten percent of our members are in some way physically or mentally handicapped. Persons with physical or mental handicaps are faced with necessary limitations. These limitations are frequently magnified by those of us who are not faced with such handicaps. We erect buildings and plan church programs without making provisions to include persons with handicapping conditions. We are aware (maybe for the first time) of a visible presence of persons with mobility impairments, visual impairments, hearing impairments, and the mentally retarded. From a Christian perspective, all persons are of equal worth, and no person alive functions without limitations. The development during 1981 of a heightened awareness of what it may be like to live with a disabling condition, and a commitment to make it possible for persons with such conditions to participate fully in church life, will increase the sense of Christian wholeness among all of us.

When I look at the needs of persons in the local church and community, my concern is PEOPLE, whoever they are and wherever they may be, who experience the terrible pain of loneliness, sickness and disease, death and dying, exceptional children and youth, the needs of persons with handicapping conditions, those in jail and prisons, and the struggles of frustrated families. ALL PERSONS need us to demonstrate an expression of the Christian gospel in our service and to share their suffering. This concept of the CARING and SHARING ministry is our goal for each local church.

## REPORT NO. 3

### UNITED METHODIST HOMES FOR THE AGING

This has been a year of continued growth and expansion for our Methodist Homes For The

Aging. By the beginning of this Annual Conference Session we will be well into construction of Wesley Terrace in Auburn and opened our Home, Wesley Acres in Decatur. Upon completion of Wesley Terrace we will be providing home and daily care for 1025 persons.

The 100 apartments at Wesley Acres, financed through the 202 program of the Department of Housing and Urban Development will provide for the possibility of rent subsidy for persons who qualify through the Section 8 assistance program. The 96 one bedroom and four (4) two bedroom units designed for the elderly and handicapped are expected to be fully occupied shortly after the opening of the Home.

Wesley Terrace, a 95 apartment unit, residential and 55 Health Care Bed Facility presently under construction should be ready for occupancy by the middle of 1982. Wesley Terrace like Fair Haven and Wesley Manor will be a "retirement home designed to meet the changing needs of an individual."

Since opening in 1961 Fair Haven has received 1054 persons and Wesley Manor since 1968 has received 566 persons. Many of these persons have had the ability to pay their own expenses. Yet due to the support and assistance of the United Methodist Churches of the Alabama West Florida and North Alabama Annual Conferences, and interested persons, we are able to continue to provide a Home for persons who are unable to meet the monthly charges. 20 persons at Wesley Manor and 58 persons at Fair Haven are currently receiving assistance. The average amount of financial assistance presently being given each month at Wesley Manor is \$4,064 and at Fair Haven \$7,847. Without the church's support we would be unable to provide this assistance. We give thanks for the support we receive for these "Older Children" of God.

On May 14, 1981, the Board of Trustees of The Methodist Home For The Aging submitted a proposal to The Department of Housing and Urban Development for a sixty (60) unit apartment complex for Mobile, and a forty (40) unit apartment complex for Attalla. The Home in Mobile will be "Wesley Park" and the Home in Attalla will be "Wesley Gardens." These proposals, if approved, will come from the 202/8 program of The Department of Housing and Urban Development.

Please continue to pray for this Ministry of caring for persons who reach out to us to help them live with dignity, meaning and purpose.

The Methodist Homes For The Aging

#### REPORT NO. 4

When a person reads the United Methodist publications and journals, one is impressed with the number of agencies and services which bear the name Wesley. Among these are the Wesley Foundations connected with the ministries to college and university students, and the large number of Homes for Aging such as Wesley Manor, Wesley Acres, soon to open in Decatur, and Wesley Terrace beginning construction in Auburn-Opelika area. These homes are dedicated to ministry to the aging and ill. Although an unpretentious person himself, I think John Wesley would have been proud to have his name attached to these facilities as they represent so many of the high goals and ambitions of his years of service to his God.

Since its beginning in 1968, Wesley Manor has provided housing and care for a total of 566 persons in a caring, healing setting. Over 130 full time employees provide services 24 hours a day, seven days a week, serving the housing, dietary, social, health care, spiritual and counseling needs of our patients/residents.

I find it difficult to believe that I am completing 6 years of ministry as administrator — six very rewarding and fulfilling years. These years represent about  $\frac{1}{2}$  of the time Wesley Manor has been in operation. I have seen the facilities grow through two major building projects increasing capacities from 36 nursing beds to 116 and resident facilities from 60 to 96, including 12 apartments.

During this time, we have been able to provide financial assistance to an increasing number of residents as the Good Samaritan Funds have expanded. Currently, over 20 persons are receiving financial assistance on a regular basis, amounting to an excess of \$3,000 per month. With costs of operation increasing due to rising costs of food and services, there is a growing need for assistance. With the possible cut-back in the federal support, it becomes increasingly imperative that we increase the available resources for support. We have never needed a greater emphasis on the Mother's Day giving!

The volunteer chaplains program, the network of personnel working within the framework of the Wesley Manor Auxiliary, plus the large numbers of visitors who have come to see us from all over the conference has provided a visibility of the ministry taking place here. I believe there is not a United Methodist Church and hardly a Methodist member within the conference who has not heard about Wesley Manor! We continually thank God for the interests and concerns of all these for the health and well-being of those who live with us.

UNITED METHODIST CHILDREN'S HOME  
SELMA, ALABAMA

The Lord continued to bless and prosper the ministries of the Children's Home during 1980. The children, staff and Board of Directors at the Home are thankful to Him and grateful to all Methodists for the blessings of this past year.

We are very excited about the results of the Christian Nurture Program under the leadership of Chaplain Cathy I. Adkins. Greater emphasis was placed on worship and learning experiences and Christian education. Agency-wide, a total of fifteen (15) children accepted Christ at Lord and Savior, four (4) made recommitments and three (3) children were baptized at the Village Chapel.

Because of the support and gifts received the Home was able to respond to increased requests for service by providing care to more children. The Home as a multiple service child care agency covering Alabama and West Florida, began the year with 142 children in care; received 806 requests for service; accepted 582 new children thereby serving a total of 724 children as follows:

|                          |     |                              |     |

For these services and results to continue it will be necessary for Methodists and other friends of the Home to continue their support and gifts to the Home. Let's increase our contributions to this caring ministry "unto the least of these."

## REPORT NO. 6

## GOLDEN CROSS REPORT FOR 1980

Golden Cross is the fund of the Alabama-West Florida Conference which gives financial aid for medical bills to United Methodist families who are in extreme financial need because of hospital and medical bills which are beyond their ability to pay. During 1980, twenty one families were assisted with a total of \$6,994.21 or an average of \$333.05 per family.

Golden Cross receives financial support from the Golden Cross Sunday offering which is taken the first Sunday after Labor Day. Your gifts to this offering enable Golden Cross to respond to the medical expenses of needy United Methodists in our conference. Golden Cross brochures are available from your District Superintendent or from the Golden Cross director.

The rules that govern the Golden Cross Fund are as follows:

(1) Assistance shall be for United Methodists and any payment toward assistance shall be only to the hospital, doctor, or drug store and only after receiving a copy of the hospital, doctor or drug bill showing the amount of the unpaid balance.

(2) No assistance shall be granted to laymen except upon the recommendation of a pastor in a position to know the circumstances. Assistance to pastors shall be granted only on the recommendation of the district superintendent.

(3) The amount of assistance granted to any person shall be limited to a total of \$600.00 for any combination of hospital, doctor and drug bills.

(4) When, in the judgment of the Golden Cross director, extreme poverty seems to justify it, full payment (not to exceed \$600.00) may be made or financial aid may be given to the same person twice during the period of a year.

## COMMITTEE ON CAREER PLANNING AND COUNSELING

Three exciting events are being planned by our committee between now and our next Annual Conference.

On February 19 and 20, 1982 we will have a Conference on Christian Vocations at Oakwood Lodge, Blue Lake. Bishop Frank L. Robertson will be the key-note speaker. The age group we are aiming at is tenth grade and older including college students.

The theme of this conference is "The Church in the World of Work." In keeping with this theme we are asking people from about thirty different vocations to come and serve as resource people. The conference will begin on Friday at 6 p.m. and conclude Saturday at 2 p.m.

The second conference event planned is entitled, "Mid-Life Journey." The leader will be Mr. Mark Rouch, theologian and resident of Lake Junaluska, NC "Mid-Life Journey" will provide an opportunity for middle adults in the prime of their lives to think through their values, goals and careers. Mrs. Thad Chesser of Ozark, AL will be the Dean and Mr. Ray Thrift of Gulf Breeze, FL, will be the associate Dean-Registrar. The "Mid-Life Journey" conference will be held at Oakwood Lodge, May 14-16, 1982.

Also our committee will be active at the Fall Youth Rally providing career resource material for youth and their counselors.

## UNITED METHODIST WOMEN'S REPORT

And yet another year has passed. A year in which United Methodist Women have attempted to find, understand and respond to the needs of the world and thus, follow the example set by our Lord and Savior, Jesus Christ.

United Methodist Women are constantly on the alert to find ideas and methods that will help the effectiveness of the local units who are the very lifeblood of the organization. Participants in the Conference "Under 35" and the Small Units workshop have gone back to their districts and have held or are in the process of holding the same workshops for the local units.

Because of its effect on all our lives, Christian women should have an understanding of the legislative process and know how to take part in it. Representatives were sent to Nashville, Tenn. to attend a Legislative Affairs Workshop. The information gained from this workshop will be passed on to the district and local women and enable them to be familiar with the legislative process at all levels (local, county, state or national). It will give them guidance as to how they can make their input. In addition they can better evaluate the quality and effect of legislation. We have also elected two Secretaries of Legislative Affairs, one for Florida and one for Alabama.

United Methodist Women have always known it is very important to know and understand the reasons behind situations and conditions in the different areas of the world and to try, in our small way to do what we can to help. To assist in this, our conference Coordinators of Christian Personhood, Supportive Community, Christian Social Involvement and Global Concerns attended the area World Development workshop in Knoxville, Tenn. There they came face to face with these conditions and problems as they are today.

1980 was a year of transition.

In July at the Jurisdictional Conference in Lake Junaluska, the past Conference president was elected as one of eleven women from the Southeastern Jurisdiction to the Women's

Division of the Board of Global Ministries. Thus, the women in this conference have a direct influence in the decisions of this board at the national level.

In October new Conference officers were elected including a new Conference president. The districts also elected new officers. Six of the districts elected new district presidents. The Annual meeting had a record number of 665 people in attendance.

In November the outgoing Conference officers had training for the incoming Conference and District officers. In December the Conference officers who were holding office for the first time went to New York to receive further training and become more familiar with the total working of United Methodist Women. It is their privilege to carry on the work and the purpose of United Methodist Women. The purpose of United Methodist Women shall be a community of women whose purpose is to know God and experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

President

## COMMISSION ON TOWN AND COUNTRY WORK

The Commission on Town and Country Work is deeply concerned about the local churches of our Conference, especially the small membership churches. Seventy-one percent (71%) of the churches of our Conference have a membership of one hundred fifty (150) or less, fifty-nine percent (59%) with one hundred (100) or less, and thirty-seven percent (37%) with 50 members or less.

Our Commission affirms the worth of the small membership church and acknowledges their value to our Conference. We petition this Annual Conference to add their strength to this affirmation by pledging cooperation and assistance to us as we seek to gather resources and create programs that will assist them in adding strength to their activities, and by removing the stigma of being a small membership church.

Our Commission recognizes that we must look to the future and set some challenging goals. Without substantial changes in our attitude toward the small membership church there can be only limited results to efforts to strengthen these churches that are vital to our Conference. Some of us believe that we need to establish a Conference policy regarding the small membership churches and that this policy be adhered to. The philosophy "bigger-is-better" has developed the tendency to write-off the small membership church. Without clear guidelines we fail to utilize resources and abilities that can stimulate the vitality needed to insure growth and strength. Focus on the small membership church could be a major stimulus toward strengthening their efforts to effective participation in ministries. We request Bishop Robertson to appoint an appropriate committee to do the study and planning necessary to establish a policy regarding the small membership churches and that this committee report its findings to the next regular session of the Annual Conference for consideration.

The Commission on Town and Country Work is an umbrella sheltering the small membership churches. The boundary of our responsibility is identified by the number of members of a local church, or the location of the church. Our work often includes areas of responsibility covered by other boards or agencies. We do not presume to take over their responsibility in regard to their involvement with small membership churches, but to strengthen their efforts and to cooperate with all agencies and boards of our Conference to promote and move forward to achieve goals that have been set.

Goals or events:

- (1) Minister's Workshop — June 29-July 2, 1981 Blue Lake
- (2) District Rally/Convocation of Small Membership Churches
- (3) Conference Rally of Small Membership Churches — October 31, 1981 Blue Lake
- (4) Establish a Conference chapter of United Methodist Rural Fellowship
- (5) District Research Projects in each District
- (6) District Leadership Development in Small Membership Churches
- (7) Continuing Educational opportunities for Commission Members at General Board and Jurisdictional levels.
- (8) Establish a Talent/Resource Bank

- (9) Utilize Hinton Rural Life Center Resources
  - (10) Support for Hinton Rural Life Center through National Advance
  - (11) Establish Conference Policy with regard to Small Membership Churches
- We are participating with other agencies of our Conference in fulfilling their goals, and we welcome opportunities to increase these involvements.

Curtis S. Ford, Chairperson

The Town and Country Commission is an umbrella that covers churches of small membership. The work of the Town and Country Commission is inter-related with all the Work Areas of the Council on Ministries because the bounds of our responsibility are described by the size of the church.

## BOARD OF MISSIONS

The first report of the quadrennium to the Alabama West Florida Annual Conference is submitted with personal gratitude to the members of the Board of Missions for their dedication and untiring service. I am also indebted to Reverend Douglas Newton who gave unselfishly of himself and provided inspiring leadership to this board during the past four years.

The Conference is fortunate to have Reverend Frank Hyles serving us in the office of Conference Missionary Secretary. His efforts are reflected in the outstanding record of this Annual Conference in World Service and Advance giving.

In the year 1980, the Alabama West Florida Conference contributed 90% (89.9) of its World Service askings, \$675,933, the highest total ever and the highest percentage since 1964. The Board of Missions is aware of the increasing budgetary demands on the local church, and the excellent response is deeply appreciated. We encourage every local church to prayerfully consider the World Service asking for 1982 and continue to meet faithfully these responsibilities.

We continue to be among the leaders in the Southeastern Jurisdiction in giving to the Advance. Our totals contributed to General and Conference Advance Specials amounted to \$315,725. During the last quadrennium, our Conference ranked number two in per capita giving in the Southeast, and the board is grateful to you for your efforts.

We commend the Reverend R.L. Hoagland, Jr., for the marvelous leadership he is giving to the United Methodist Volunteers in Mission Committee. This committee and its program can assist every local church in a personal involvement on the mission field.

We are proud of our association with the Board of Church and Society and the United Methodist Women in the Cooperative School of Christian Mission. Every pastor is encouraged to participate in this event and use the information and inspiration to strengthen the mission outreach of the local church. Reverend Douglas Newton will be dean of the school in 1981.

The Board of Missions recommends:

1. That every District Superintendent continue to stress the urgency of the World Service dollar and work toward a goal of 100% acceptance in every district.
2. That every pastor schedule at least one mission event in the local church each year.
3. That every Work Area Chairperson on Missions keep his/her church informed on the Missional programs of the United Methodist Church and encourage the church to give financial support to World, National, and Conference Advance Specials.

I am deeply indebted to the members of the Board of Missions of the Alabama West Florida Annual Conference for allowing me to chair this board, and I am committed to do all I can to fulfill these responsibilities and continue the kind of leadership this Annual Conference has been privileged to have in the past.

Billy F. Hall  
Chairperson

## COMMITTEE ON CHURCH EXTENSION

The Committee on Church Extension has continued to pursue the following goals during 1980-81:

- 1) To double membership of the Ten Dollar Club.
- 2) To encourage the establishment of new congregations where needed.
- 3) To become better informed of needs for grants and loans.
- 4) To inform churches of financial assistance available.
- 5) To follow guidelines closely.
- 6) To make churches aware that church extension is an arm of World Service and Conference Benevolences.

In 1980, the committee had the pleasure of awarding grants to eight (8) churches in four (4) districts. In addition it has provided loans to five (5) churches and we currently have two (2) loan applications pending, along with two (2) additional donations that are pending.

In view of rising building costs, the committee felt that we should increase our donations in 1981 from the nominal sum of \$300 to \$500 to as much as \$1,000 to \$1,500 if funds are available, and even more under special situations. This will give the local church greater assistance in their pressing financial burden of building and remodeling.

We are grateful for the opportunity of assisting local churches in improving and/or expanding their building facilities during the past year.

### TEN DOLLAR CLUB

The Ten Dollar Club, an arm of church extension, had its best response in recent years to the appeal for Covenant United Methodist Church in Dothan, Alabama when more than \$7,000 was raised through individual contributions. To join the Ten Dollar Club a person commits himself to give ten dollars no more than twice in one year when an appeal goes out. The money can be paid through the local church, designated "Ten Dollar Club," or sent directly to United Methodist Headquarters, P.O. Box 700, Andalusia, Alabama 36420. The two appeals for 1980-81 were: (1) Locust Bluff, Selma District, and (2) Christ Church, Mobile District.

### COMMITTEE ON EDUCATION AND CULTIVATION

The old *Four Star Mission* program of recognizing excellence in local church mission support has served us well for a number of years. The Board of Missions, however, recommends a change in format in response to additional emphases that could not be reflected in the old Four Star Certificate. The new award is entitled "4 Lanes/Plus 2" and will be awarded to those local churches that meet the following requirements:

- (1) Payment of World Service and Conference Benevolences in full
- (2) Contribution of at least ten dollars (\$10.00) in all areas of the Advance: World, National, UMCOR, and Conference
- (3) Contributions to the two special quadrennial programs: African Church Growth and Development; World Hunger Special
- (4) A Missionary Education Program in the Local Church

### DISASTER RESPONSE

A network of United Methodist Disaster Relief has been established in the Birmingham Area, including members from both annual conferences, under the chairmanship of Rev. Fred Toland. Those on the committee from the Alabama-West Florida Conference include: Mr. Lester Spencer, Jr.; Dr. Karl K. Stegall; Rev. E.D. Ridgeway; Mrs. Dale Self; and Rev. Jake Brown. ### SUPPORT OF MISSIONARIES

Having fully pledged the salary support of all missionaries assigned to the Alabama-West Florida Conference in 1980, the churches of our area are now asked to pledge and contribute to the support of two new missionary couples: (1) Mr. and Mrs. Gilbert Bascom, educational missionaries to Japan; and (2) Drs. Jeffery and Ellen Hoover, missionaries teaching in Lubumbashi, Republic of Zaire. (See Conference 1981 Advance Book for additional information.) Any church may become a missionary supporting church by contributing three dollars per member or \$1,000 per church for churches of more than three hundred and thirty three members.

### UNITED METHODIST INNER CITY MISSION/MOBILE METRO

The Inner City mission continues to conduct the regular assistance programs to Mobile's Inner City. Scouting, referral services, counseling, emergency relief, classes, recreational activities, crafts, and special trips are some of these.

The mission, however, goes beyond the normal social assistance programs. It is a religious body, and as such distinguishes itself from regular social services agencies in several important ways. First, the director of the mission is a United Methodist minister and offers to the community the daily services of a clergyman. Bible classes and worship services are a very important part of this ministry, and approximately 1000 Bibles have been distributed to the poverty community over the years.

These basic programs, including the services of the minister are paid for with about \$58,000 of United Methodist money. These Methodist dollars come from our Alabama-West Florida Conference, The United Methodist Women, the Mobile District and local churches, classes and individuals.

In addition to these basic programs, there are three (3) other areas of service that are paid for by government funds and administered by the mission. It has been a firm policy of the mission, however, that federal, state or local funds are never used in such a way that their loss would damage the basic ministry. It stands alone on a United Methodist financial base.

Briefly, these other program include:

1. A *Weatherization Project*, designed to take 15 high school drop-outs each year and train them in basic carpentry skills. The mission uses CETA funds for this training. At the same time, Department of Energy funds for this are utilized to purchase materials, and the trainees and materials are used to weatherize the homes of the poverty level older adults in the Oakdale Community. When trainees complete their training, they are aided in finding a job, and the minister remains available for counseling and other assistance. It is a highly successful program.

2. *A Day Care Center* for 72 children of welfare mothers. Their children, however, are accepted only on agreement of the mother to accept training and obtain a job. As a result of these efforts the children receive excellent training and nutrition, and the mother eventually comes off the welfare rolls as a self-supporting member of society. A bonus of the program has been the hiring of 12 to 14 teachers' aids who were on welfare but also became self-supporting.

The center is licensed for 72 children and is a joint effort of the mission, the Mobile Housing Board, and the State Department of Pensions and Security.

This, too, is a very successful service for everybody involved.

3. *Our summer program* composes the third outside program area. This is done mostly through the efforts of the mission, the City of Mobile, CETA, and the State Department of Education.

It involves the operation of Taylor Swimming Pool, the largest in Mobile, and located in the mission neighborhood. As many as 23,000 youth and children have used the pool in a ten week period. Summer lunches are also served to as many as 25,000 children during the same period, and additional recreational activities are planned to supplement the city efforts. Craft classes and special trips are a part of these activities.

Summer camp at Blue Lake has been a high point for about 50 children each summer and will continue.

This year there will be a special week-long Bible School, using the new inner city urban church material published by The United Methodist Church.

These are not all of the mission programs, but they can help you understand the ministry of the United Methodist Inner City Mission segment of this ministry. It's important also to note that only \$58,000 of our United Methodist money has provided almost \$500,000 in services to Mobile's Inner City. The mission is a good steward of your dollars.

The second component is the Mobile Metro Ministry. This is the younger of the two ministries and does a vastly different type of ministry.

The major efforts of Mobile Metro until April of this year has been in the recovery efforts following Hurricane Frederic. Metro coordinated all United Methodist efforts during the early days after Frederic struck Mobile. Then it assumed the Methodist leadership role in the Interfaith organization that has been carrying our recovery efforts for these long 19 months. Dale Self, a United Methodist, was the director of that Area Interfaith Disaster Service organization. The Methodist Church served the people of Mobile and Baldwin County well during the months as a part of the Interfaith effort.

It was out of these efforts that this conference and the North Alabama Conference moved to form the Birmingham Area Disaster Response Committee. Metro played a major role in putting this important new program together.

Now, however, this ministry is taking new direction. The Mobile Planning Commission is working closely with Mobile Metro in studying the new census data with two basic purposes in mind. (1) to determine where future churches need to be located in order for the District Board of Missions to acquire land for that day, and (2) to aid churches caught up in the movement of the transitional community in their awareness of their future and in planning new ministry.

The ministry is still young and plans to focus on these areas of concern for this year. Data will be shared with any metro church desiring it in regard to population trends, land use, housing, income, etc. Such understanding will make for a better total ministry.

A workshop for churches in transitional communities will be sponsored by metro this year to offer help in understanding what is happening and what options are available to churches in such neighborhoods.

Fred Toland, Minister  
Boots Guthrie, Board Chairman

### URBAN WORK COMMITTEE

During the regular meeting of the Board of Missions the Urban Work Committee has discussed the need for a specialized study of those areas of our Annual Conference which are now experiencing great changes in community structure.

We are particularly concerned for areas such as Montgomery, Mobile, Pensacola, and Dothan, where a shift in population centers is increasingly evident. The other districts of our conference are also experiencing change as new communities begin to emerge.

Mobile has completed a self-study of the cities growth pattern and more recently the Montgomery area has become involved in a study and evaluation under the direction of the National Division of the Board of Global Ministries. Our committee offers itself as a resource aid to any area desiring to make such a study. Many difficulties can be overcome with advance planning and coordination of available resources.

With changes in residential neighborhoods, additional apartment complexes and mobile homes centers, we are confronted with a new challenge to reach out to a changing society in an effort to effectively minister.

We must support efforts by Church Extension to locate churches in areas of growing population. Bus and van ministries may also be valuable sources of outreach.

It is necessary that we remain sensitive to the work of the inner-city and the problems particular to this type ministry. An effort should be made to cause these people to feel a part of the total church through outreach and interaction.

The Urban Work Committee urges your support and prayers to the work we do together.

Tom M. Ellis, Jr., Chairman

### DUMAS WELSEY COMMUNITY CENTER

With 75 years service behind it, the Dumas Wesley Community Center took a bold step forward in late 1980. The board of directors committed the agency to a \$650,000 purchase, renovation and move into a large church and school complex in the heart of the Crichton community which Dumas Wesley serves. The 1929 building had long been overcrowded and the board had considered a capital fund drive to construct a new addition.

The church and school buildings and grounds sold because the church is moving, will provide Dumas Wesley with much more space than it could have built new. The board is purchasing the complex for only \$500,000, a fifth of what it would cost to replace it.

A capital fund drive to raise \$650,000 for the permanent purchase price of the building, some renovations and the move is being conducted in the spring of 1981 under the leadership of Oliver H. Delchamps, Jr.

Commitment of the board to purchase the complex and the anticipated successful fund drive opens new opportunities for the agency to provide full community services to families in the Crichton area.

Meanwhile, 1980 saw a spectacular increase in the Dumas Wesley family home care service opportunities as the agency entered an expanded contract with the State Department of Education to monitor the food phase of programs under which up to six children are cared for daily in private homes. Dumas Wesley monitors to insure that nutritional standards of the U.S. Department of Agriculture are met.

Recognition of the important role of Dumas Wesley in community life was reflected by the selection of the center to serve as a polling place during 1980. It is frequently the site of community meetings such as the hearings in connection with the city community development program and other neighborhood meetings.

The Crichton community had not yet recovered from the 1979 Hurricane Frederic when it was hit by two more disasters in rapid succession. Within a two week period, two spring flash floods swamped low lying areas of the neighborhood leaving some homes with greater damage than from the hurricane. Receding flood waters left a thick layer of mud on the floors and up the walls of many homes ruining flooring, walls and furniture. Dumas Wesley staff and volunteers assisted elderly people in cleaning up and assessing damages and in referring them to other forms of assistance.

The hottest summer in recent South Alabama history did not deter the staff or participants in the annual summer recreation program. Two weeklong sessions of camp were held at Camp Pinetreat in nearby Bay Minette and the day program continued as usual despite the heat. The high temperatures and humidity were life threatening to many older people without air conditioning or fans and Dumas Wesley staff, through their knowledge of the people in the community, kept anxious watch in a number of cases.

The Dumas Wesley child day care center continued as a major on-going service. Children from two and a half to five years old are cared for between the hours of 6:30 a.m. and 6 p.m. Fees are based on parents' ability to pay.

Other continuing programs include senior citizens activities, sewing classes for adults and teenagers, outdoor playground activities, a Dumas Wesley basketball team, leisure groups

and arts and crafts, adult education, tutoring and other programs for Crichton citizens of all ages.

The annual Christmas Toy Store continued to enjoy the support of the community and various church and civic groups. Contributions are used to purchase toys which are then marked down in price and sold to parents, selected on the basis of need, in the Toy Store operated by volunteers. Monies from the sales go into the emergency fund and ultimately back into the community.

Church groups which provide support to Dumas Wesley on the local, district and conference level include local United Methodist Churches, Mobile District Board of Missions, Alabama-West Florida United Methodist Women, Alabama-West Florida Aid to Action Ministries and many individual women's church groups.

The agency works with various public agencies including the Mobile Public Schools, City of Mobile, Department of Pensions and Security, Alabama Extension Service, State Vocational Rehabilitation Program, CETA, and the State Department of Education. Community agencies with which it works include the United Fund, American Red Cross, Boy Scouts of America, Concerned Citizens of Crichton and others.

The board of directors in 1980 was brought up to full strength of 30 men and women from the community, church, civic, business and charitable organizations in Mobile.

By the time the Alabama-West Florida Conference meets Dumas Wesley will have completed the first step in its fund raising campaign leading to expanded facilities. We also will be facing the challenges of sharply curtailed funds and services due to severe cutbacks in federal funds and agencies such as the food service program and CETA. This is but a new opportunity and challenge for all of us to come forward with generous hearts and tithes and helping hands as we reach out in love to our neighbor. Your prayers and help for this important year in the growth of Dumas Wesley are humbly solicited.

### **NELLIE BURGE COMMUNITY CENTER, INC.**

The varied programs of Nellie Burge Community Center are feeling the crunch of inflation, a reduced appropriation from the Women's Division, Board of Global Ministries, and a reduction in revenue from governmental agencies. This reduced support is a matter of grave concern for this agency and one to which the board of directors is directing its strict attention. Support from United Methodist Women, church groups and individuals has remained at a steady level. We are determined to maintain a quality, well-rounded program of service to human beings who are in need. Every effort will be made to recoup this financial loss from other sources.

Due to the extremely limited physical facilities of the center there has not been any new programs inaugurated during the year. The building is in use and is full from 7:00 a.m. to 6:00 p.m. Monday through Friday. As one group of day care children and young mothers leaves at 3:00 p.m. each day a number of after-school enrichment program girls arrive for girl scouts, sewing, nutrition, recreation and arts & crafts sessions. This enables us to accommodate approximately 75 people each day.

In the face of persistent statements from Washington, the federally funded Home Day Care Nutrition Program continues to flourish. There is currently 120 homes under agreement with slightly more than 500 children being assured well-balanced, nutritious meals each day. Two monitors work from the center in administering this fine program.

Each afternoon for a 10-week period finds a summer program in progress. Approximately 75 neighborhood children and youth are engaged in organized sports, crafts, educational field trips and sewing. This culminates with a five-day camping experience at Blue Lake for the 27 who qualify for the trip.

Our hope is that we will not only continue our present level of service but will be able to make available new and exciting opportunities for neighborhood people during the coming year. To this premise we pledge ourselves.

### **NOAH'S ARK**

Noah's Ark is the outreaching arm of the churches of the Alabama-West Florida Confer-

ence. Located at the center of Panama City Beach, these United Methodist arms reach out to thousands of vacationers in love, witness, and service each year. To accomplish its task the Ark functions in three different ways: (1) a beach retreat center for local church groups; (2) a Christian witnessing center to vacationers and tourists; and (3) a center for service, fellowship, witness, and worship for senior citizen winter residents in the Beach area. All of this was accomplished this year with approximately 20,000 United Methodist dollars and a permanent staff of only three persons.

### BEACH RETREAT CENTER

As a retreat center, the Ark facilities include: sleeping facilities for 80 persons (camp style bunks), two kitchens for group cooking, five classrooms, one large recreation and assembly room, two dining rooms, a chapel for use on special occasions during retreats, one assembly room with seating capacity of 250 persons where two nightly musical witnessing programs are conducted during the summer months.

The summer months are the most popular time for beach retreats and are our busiest season. During 1980, forty-five groups were scheduled. 36 of these were United Methodists, 4 were Baptists, 1 Lutheran, 1 Presbyterian, 1 Congregational Christian, and 2 non-denominational. These groups conducted a variety of retreat activities such as vacation Bible schools, choir retreats, fellowship retreats, spiritual life retreats, etc. Most of them involved themselves in the beach witnessing programs each afternoon, and many of them sang in the musical witnessing programs at night.

These facilities are available for scheduling by any local church group who wish to schedule their retreat in a beach area. The months of April, May, September, and October are ideal for retreats since the weather is balmy and tourists are at a minimum. Retreats are the major source of Noah's Ark income, accounting for approximately \$27,000.00 gross income for the year 1980.

### CHRISTIAN WITNESSING CENTER

Our Christian witness is accomplished in a variety of ways, but four of the most important ways that God uses the Ark is through: (1) the very presence of a Christian center in the midst of a secular setting; (2) the daily beach witness; (3) the nightly musical presentation, and (4) the nightly proclamation of the Gospel.

(1) Thousands of vacationers pass Noah's Ark daily and are made aware that God has built a place in the midst of all the nite clubs, bars, and pleasure pushing activities around them. They are reminded that the United Methodist Church is reaching out to them through God's love and trying to lead them in the way revealed in Jesus Christ. By this they are reminded that the United Methodist Church is active in the world seven days every week, and that our witness is not confined to the walls of our churches and fulfilled only on Sunday.

(2) Our witness is more personal as we extend it to the beach front each afternoon. The Christian groups in retreat visit the sunbathers and swimmers making personal contact with hundreds of people there. Each witness is encouraged to make his witness in his own way; however, guidance in witnessing is provided. Everyone contacted is invited and encouraged to attend the musical witnessing programs. The result of the afternoon beach activities is seen in the often overcrowded attendance at the nightly musical programs.

(3) The most dynamic witness is accomplished through the programs at night. This program is conducted by the Director, the "Two by Two" musical group, and the visiting musical groups. The presence of God's spirit is experienced upon entering the place. At exactly 8:00 and 10:00 p.m. the music starts. The music moves gradually from light fun music to more serious note and finally, through the music of "Two by Two," the audience is prepared for the Gospel presentation.

(4) The Gospel is presented by the Director who is an ordained Elder in the Alabama-West Florida Conference. The audience is invited to respond by committing themselves to God, and to join the church of their choice back home. Christians are urged to rededicate themselves to the task of the church and to seek renewal within the life of their church. The people attending these programs are visibly moved and express their response in many ways. All present usually become aware of the Holy Spirit and feel God's call upon their lives.

### SENIOR CITIZEN CENTER

Beginning in October, the winter residents begin arriving from the northern states and Canada. Noah's Ark begins its varied ministry to these senior citizens on the 1st of November. Over a period of nine years, God has used Noah's Ark and its activities to create a community of seniors from widely scattered areas of the North. For them, it's homecoming when they arrive and begin participation in the recreation, social, and worship activities. Most of them say they treasure their months together here more than any other part of their year. To fully understand how much this ministry means to these people, one need only look at the lonely, bored, dejected, and often neglected older people in every community and by contrast see what a difference God and this United Methodist ministry has made in the lives of these "Snowbirds." As a response, the Chapel is crowded to overflowing each Sunday from November 1st to the end of March. This congregation is loving, forgiving, self-giving, and happy congregation. God has created a redemptive fellowship — they have become the church because the Spirit of the Lord abides in them. Then at the end of March, they are scattered abroad — many never to return. But there's great satisfaction in knowing that the United Methodist Churches in Alabama and West Florida have made their last days to be the most meaningful days of their lives.

This, then, is Noah's Ark and its ministry. The ministry has a budget of \$72,000 to \$75,000 each year; approximately \$20,000 will be United Methodist dollars. If this could be increased through advanced special giving, the ministry could serve even better. Another dorm is needed, two more staff members should be added, and renovation of the lodging rooms is imperative. God has blessed this work thus far and I believe will continue to do so, as long as we are faithful and as long as the sun shines on Panama City Beach. Pray for Noah's Ark.

Executive Director

### UNITED METHODIST VOLUNTEERS IN MISSION

Interest is growing in this area of personal participation in mission projects of construction and of sharing the Christian faith. More churches are including the idea in mission weekends and special workshops on the Volunteer idea. In the summer of 1981 there will be mixed teams of adults and youth to Costa Rica and Oaxaca, Mexico and in addition Buddy Capps is taking a Conference youth team to Costa Rica in July. Churches with individual duals or teams interested in short term volunteer service should contact R.L. Hoagland, Jr.

### THE AID TO ACTION MINISTRIES

The Aid to Action Ministries Committee — a non-funded committee — has been reorganized. As no funds had been allocated, the board approved the transfer of funds from other sources so that the committee might have operating funds.

Of particular interest to the board is the Pensacola District Special Ministries which has not been active. The Aid to Action Ministries Committee plans to contact the Board of Directors of the Pensacola District Special Ministries in anticipation of aiding the reactivation of this work.

#### POLICIES AND GUIDELINES FOR ANNUAL CONFERENCE REGISTRAR

2. We recommend that those receiving salaries from benevolence funds be a priority in those funds allocated (administrative staff, director of Pastoral Care and Counseling, director of United Methodist Communications, those funds historically known as Aid to Action Ministries); and we further recommend that the apportionment for the Union Springs debt amortization be a priority item.

3. We recommend that there be a two percent (2%) service charge placed on all funds that remain within the boundaries of our conference which the conference treasurer manages in bookkeeping, check writing, and other services connected therewith. The accrual is to be credited to the Council on Ministries operation fund to help defray the costs of fiscal management. The following funds are excluded from the service charge: World Service, Children's Home, General Administration, Episcopal Fund, Interdenominational Cooperation Fund, One Great Hour of Sharing, Conference Claimant's Fund, Pension Crusade Funds, all Advance Specials, SEJurisdictional Administration Fund, Aid to Action Ministries Funds from the General Board of Global Ministries, Mother's Day offering, and Golden Cross Ministries.

REPORT NO. 8

STEWARDSHIP RESPONSIBILITIES AND LOCAL CHURCH CONCERNS

1. The council believes that all apportionments are needed in the amounts apportioned. Further, the council believes that it is within the capacity of the churches to pay the apportionments in full. Great effort has been made to apportion more realistically and even greater effort will be made in the future to accomplish more manageable apportionments. We urge full acceptance and payment of all apportionments by each church.

2. We recommend that district superintendents establish suitable apportionments for new charges in harmony with the adopted basis for apportionments.

3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and the council may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.

4. We recommend that local churches provide for the audits of local church records as provided in paragraph 266:3c of the 1980 Discipline. It is our suggestion that audits of local church financial books should be done by someone other than church staff and should involve others, though members of the Committee on Finance may be included. See the Committee on Audit Review membership (Paragraph 905:4b, 1976 Discipline) as a possible guideline for membership selection.

REPORT NO. 9

DISCIPLINARY REQUIREMENT

Paragraph 714.1 of the 1980 Discipline requires the council to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which treasurers are bonded. The council recommends that the present policy of bonding be continued.

REPORT NO. 10

FORMULA AND ALLOCATIONS

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% non-building budget (see Standing Rule 26), and that apportion-

ments be determined by local church decimals applied to the cost of each ministry at the conference level.

2. It is recommended that the spring meeting of the council be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requests for information requested and required by the Council on Ministries.

3. We further recommend that apportionments be developed and distributed to each church by September 15, in order that they may be used for development of local church budgets for the calendar year.

## REPORT NO. 11

### MINISTERS MOVING EXPENSE

We recommend that upon retirement or disability the conference pay up to \$500 for documented moving expense to his first place of retirement for each minister. Such expense to be paid for moving within the bounds of the Annual Conference. Expense will not be paid beyond conference boundaries. This policy with special regards to the adequacy of the amounts is to be reviewed by the Council on Finance and Administration after careful examination of the annual experience.

### BOARD OF MANAGERS — PASTORS' ASSEMBLY

The function of the Board of Managers of Pastors' Assembly is planning and coordinating the program of Pastors' Assembly, which takes place in September each year at Blue Lake. Our Board now functions as a creature of the Annual Conference, elected by the Conference.

When Pastors' Assembly met, September 22-24, 1980, there was an innovative difference in the program. It began with an address by our own Bishop Frank L. Robertson. Our curriculum included two teachers instead of three. They were Richard Murray, Associate Professor of Christian Education at Perkins School of Theology, Dallas, Texas; and Dr. Charles William Stewart, Professor of Pastoral Theology at Wesley Theological Seminary, Washington, D.C. These two men led us into new insights on the pastor as educator and as counselor.

Another innovation was having a concert given by the Birmingham-Southern College Choir under the direction of Dr. Hugh Thomas. This was an outstanding experience enjoyed by everyone present.

The Assembly closed with a traditional worship service in which The Reverend Dr. Thomas L. Butts preached. This service was well attended and enthusiastically received.

Your Board of Managers is working on the 1981 Assembly. We anticipate another good experience together this fall. Mark your calendar for the date, September 21-22, again at Blue Lake.

### COMMISSION ON THE STATUS AND ROLE OF WOMEN

The Commission on the Status and Role of Women was established as a standing commission of The United Methodist Church by the 1976 General Conference. It is charged with responsibility to:

challenge the United Methodist Church, including its general agencies, institutions, and connectional structures, to a continuing commitment of the full and equal responsibility and participation of women in the total life and mission of the Church, sharing fully in the power and in the policy making at all levels of the Church's life. (Par. 2202, 1980 Discipline)

Toward the fulfillment of this responsibility, this Conference's Commission met in August and January to orient new members, establish goals for the quadrennium, and make plans for 1981. Goals and plans include continued support of the Clergy Women's Task Force, continued sponsorship of the breakfast for women delegates to Annual Conference, and

increased emphasis upon "Woman In The Pulpit Day" for local churches. The Commission is presently compiling names of capable women for leadership positions on the district and conference levels ("talent bank") and plans to sponsor a Churchwomen's Leadership Development Seminar in 1981.

## ALABAMA-WEST FLORIDA UNITED METHODIST FOUNDATION

The Alabama-West Florida United Methodist Foundation was authorized in May, 1978 by the Annual Conference. Thirty-six lay directors were joined by the nine District Superintendents to compose the Board of Directors. At the organizational meeting on January 11, 1979, Harry P. Hall was elected President, Edward J. Woods, Vice President, and James Y. Carroll, Secretary-Treasurer. Mrs. Dorothy Mahaffey, C.H. (Babe) McGehee, K.T. Riley, and The Rev. Lester H. Spencer were named to serve with the three officers as the Executive Committee.

It was Ralph Waldo Emerson who said, "*An institution is the lengthened shadow of one man.*" All who have watched this Foundation from its beginning can testify to the truth of Mr. Emerson's words. Harry Hall has accomplished more, worked harder, had greater faith, and given more of us inspiration than anyone connected with the Foundation. To him this Annual Conference and this Foundation will forever be under obligation.

As the January 21, 1981 meeting of the Board of Directors approached, Mr. Hall requested that he be allowed to step aside as President.

The Board of Directors elected the following officers: James Y. Carroll, President; K.T. Riley, Vice-President; Kenneth Cooper, Secretary-Treasurer.

Serving with the officers on the Executive Committee are: The Rev. Lester H. Spencer, Mr. Clyde P. Mahaffey, Mr. Calvin L. Todd, Mr. Art Copper.

The board unanimously requested the presentation to the Annual Conference the following people for election to new terms as directors of the Foundation: Mrs. Amanda S. Burton, Mr. Kenneth Cooper, Mr. J. Ralph Dickert, Dr. Louis L. Johnson, Mr. James E. Ladner, Mrs. Clyde P. Mahaffey, Mr. Frank C. Martin, Mr. Charles H. Newsom, Mr. M.D. Nolen, Jr., Mr. K.T. Riley, Dr. Charles G. Tomberlin, Mr. Charles S. Weeks and Mr. Art Copper.

To be elected for the remaining year of James Rutherford, ending in January, 1982, is Mr. Yancey Parker, Drawer 630, Enterprise, AL 36330.

The financial report for 1980 is a part of this report. A careful examination of the finances of the Foundation will reveal that since its organizational meeting in 1979 great things have been happening, yet, this is only the beginning. To have \$432,924.61 on the books of the Foundation in less than two years speaks well for the future.

We have deposits from twenty-nine churches, two Districts, and several Conference Agencies totaling \$226,660.31, on which the Foundation is now paying 9% interest from six to thirty month periods and 9½% on deposits of more than thirty months. We are now handling nine Special Funds designed especially for the relief of hunger, care of children, education of ministers, and such as the like and one additional that will come within this year. Like Funds can be received at any time from individuals or churches. The Foundation is legally constituted to serve as Executor of Wills, Administrator of Trust Funds for distribution to any charitable or educational agency designated by the donor.

Members of this Annual Conference can assure the growth of the Foundation and the support of the institutions of the Conference by tax deductible contributions of cash, stock, real estate, etc.; by remembering the Foundation in wills, insurance policies, trust funds, etc. A representative of the Foundation will gladly meet with Administrative Boards, Trustees, Pastors, or groups of interested individuals upon invitation.

The Foundation is a service agency of The Annual Conference. Help us to serve more effectively.

Respectfully submitted,  
James Y. Carroll, President  
Carl J. Sanders, Executive Director

**THE BOARD OF CHURCH AND SOCIETY**

The purpose of the Board of Church and Society is to relate the gospel of Jesus Christ to the members of the church and to the persons and structures of the communities and world in which they live. We proclaim the Lordship of Christ over the whole life of man and woman, their activities, possessions, and community and world relationships. We seek to demonstrate to all persons that the reconciliation which God effected through Christ involves personal, social, and civic righteousness. We affirm our belief that the gospel relates to the total needs of persons and we try to plan programs of the board in the context of this understanding. Through a process of research, education, and action the Board of Church and Society seeks to implement its purpose.

The Board of Church and Society has had three meetings since the last annual conference. We helped subsidize and participated in the planning of the Cooperative School of Christian Mission. Three of our members attended a jurisdictional training event for annual conference

Church and Society leaders from across the Southeast at Lake Junaluska. We held a two-day training and organizational meeting at Blue Lake in September, led by a Staff member of the General Board of Church and Society. At that time, we structured the board for its work, as detailed further on in this report. Membership in Impact has been stressed. Half subsidy has been offered by the board for memberships in Impact for board members. Ten copies of the filmstrip, "Impact — On Public Policy," have been purchased and placed in district offices and in the Conference Audio/Visual Library for the purpose of lifting up and encouraging Impact memberships for all church members. A significant financial contribution was made to Alabama Impact and Florida Impact by the board. Two of our board members serve on the board of Alabama Impact.

Each minister in the conference has been furnished a list of resources for Alcohol/Drug Abuse, with emphasis on teen-age users. We urge the use of these resources for workshops throughout the Conference.

Board members have been given an opportunity to subscribe to *engage/social action*, a publication of the General Board of Church and Society. A subsidy has been provided for this.

In the midst of the work of the board, news was received of the December 24, 1980 death of Dr. George Outen, General Secretary of the General Board of Church and Society. We were shocked and saddened by the untimely death of this vigorous servant of God. Those who have been in his presence know what a rare and prophetic spirit he was. His inspiring example can make us all struggle harder for the goals of the kingdom.

In order to carry out our purposes, we reorganized our board at the September meeting into three areas of concern which we labeled Cluster Groups. Each Cluster Group was given issues for study. The breakdown is as follows:

### HUMAN WELFARE CLUSTER

Teen-age Alcohol/Drug Problem  
Family Concerns  
Hunger

### SOCIAL JUSTICE CLUSTER

Penal Reform  
Ethnic Minority Local Church Quadrennial emphasis

### PEACE AND WORLD ORDER CLUSTER

Peace with Justice  
Law of the Sea

The entire board has considered the following reports from each Cluster Group and has approved each report in every detail as presented below. The board urges the annual conference to do the same.

### HUMAN WELFARE

We affirm the statement on pages 79-81 of *The Book of Resolutions of the United Methodist Church, 1980*, calling special attention to the following sentences from paragraph #3 of the statement: "The Church recognizes the freedom of the Christian to make responsible decisions and calls upon each member to consider seriously and prayerfully the witness of abstinence as a part of his or her equipment for Christian mission in the world. The understanding of the social forces that influence people either to drink or to abstain must be encouraged. Christian love in human relationships is primary, thereby making abstinence an instrument of love and always subject to the requirements of love. Persons who practice abstinence should avoid attitudes of self-righteousness which express moral superiority and condemnatory attitudes toward those who do not abstain."

On page 80 of *The Book of Resolution* there are certain recommendations entered as part of the statement on alcohol. We particularly would underscore and strongly affirm recommendations #2, #3, and #5, which read as follows:

2. We urge all legislative bodies and health care systems to focus on and implement measures to meet the special needs of women, racial minorities, juveniles, and the elderly. Basic to this concern is an informed mind and compassionate heart which views the alcoholic without moralism and with empathy.

3. We urge churches to make education about alcohol problems and the value of abstinence an integral part of all drug education efforts.
5. We favor laws to eliminate the advertising of alcoholic beverages.

### SOCIAL JUSTICE CLUSTER

We have been charged by the board with overseeing two areas of concern: Penal Reform and the Ethnic Minority Local Church, which is a missional priority of the United Methodist Church for this quadrennium. We have worked on these concerns in the following manner.

#### Penal Reform

Because this is such a broad area and leads naturally into all aspects of criminal justice, our first priority has been to study and to try to learn more about the complexities of the matter. We have carefully reviewed the reports and work of the former Task Force on Prison Reform and Prison Ministries of this conference, 1974-1977. We have obtained copies of United Methodist positions and recommendations in this field and given these to each Cluster member. We have collected and studied press reports on developing penal and criminal justice issues in Alabama. We have contacted persons with prior and current experience in working on this problem and obtained their input. We have consulted the seminal work of Dr. Harold DeWolf, Dean Emeritus of Wesley Theological Seminary, on criminal justice. All of this study effort is at the beginning stage. We believe it will take some time before we are ready to formulate some proposals and positions. We are being careful and deliberate. However, our intention is to eventually bring before the entire board concrete suggestions, which would then be communicated to the conference. We are guided and prodded by the Lord Jesus' emphasis on prisoners and prison ministry. We remember, too, that He was victim of abuse and injustice while under arrest.

#### Ethnic Minority Local Church

This conference is in the process of structuring its EMLC effort at the time this report is being written (early March 1981). We have been concerned over the development of an effective vehicle through which to channel the energies of the conference on this vital matter, and have articulated our interest to those in Andalusia and elsewhere who are working on this.

We are fortunate to have Mrs. Hazel Brice of Jackson, Alabama in our Social Justice Cluster. She is on the General Board of Church and Society, and is intimately involved in the general church's planning for carrying out the EMLC priority. She is chairperson of the Funding Task Force for EMLC at the general church level. Her help to us in determining what direction our involvement should take has been invaluable.

As the conference prepares to fully launch and develop its response to the United Methodist Church's sole missional priority for 1981-1984, we believe the following ought to be considered seriously:

1. There is a great need for more skilled and trained leadership in ethnic minority churches, clergy and lay, so that these churches might develop their fullest potential. One key to meeting this may well be to attract more ethnic minority young people into the ministry and into this conference, and to strongly support those already in the ministerial process. Ways and means to do this should be developed and implemented without delay.
2. There must be more initiative taken by white-membership churches in reaching out with spirited anticipation and commitment to interact in various creative ways with ethnic minority churches. The time to "wait" is past. "The burden of proof" in showing such genuine Christian love and interest across racial lines lies more heavily upon white-membership churches than ethnic minority churches.
3. There needs to be a special support given by the conference — financial, moral, and spiritual — to churches which face great changes due to location in downtown sections or other older or more traditional sections of cities. There must be a rededication on the part of the leadership of the conference to encourage city churches experiencing such phenomena as "changing neighborhoods," "deteriorating sections," and the like, to find new spirit and new ministry in the name of Christ appropriate to their present situations. Closing churches or moving them to new, "more promising" sites in the face of change is not in the best tradition of the faith. If we are ever to see more truly integrated, inclusive local churches in our conference — which would help increase the number of ethnic

minority people in our fellowship and give them a more central role in the church's life—strengthening "old line" churches in the cities is critical.

A specific proposal we will be presenting to those who will guide the EMLC effort in the conference is that of a Minority Student Internship in Montgomery during a session of the Alabama legislature. This would be designed to enable college-age ethnic minority young people to learn about the political system as it functions on the state level, thus increasing their knowledge of how decisions are made that affect the quality of their lives and the lives of their people.

We believe that this missional priority represents a time of the special visitation of God's Spirit upon the Methodist people of Alabama and West Florida. How our conference responds to this opportunity may well determine its capacity to lead the society of which it is a part toward a more complete realization of the brotherly reconciliation and sense of community which are so central to the kingdom of God. We pray God's power and blessing upon the ones who will lead in this effort, and we pledge our cooperation.

### PEACE AND WORLD ORDER CLUSTER

Peace with Justice is divided into four segments, The Faithful World, A Disarmed World, A Just World, and A Secure World. We recommend the study of one segment each year of the quadrennium. We recommend a positive approach to Peace. We suggest the search of the Scriptures on peace. We lift up the *Advocate* and the *Interpreter* as means of current information about this concern. We recommend study and use of the Social Creed.

Law of the Sea will be stressed at a later date. The possibility of a workshop with Barbara Weaver as leader has been discussed and included in plans for this quadrennium.

As the present board begins its second conference year of work, the members reaffirm their continuing involvement in the School of Mission, Impact, and other programs and agencies with which the board has had an alliance in the past. In addition, we pledge ourselves to seek new ways to join hands with people in our state, nation, and world who are organized for study and action with respect to matters which are germane to the Kingdom of God.

The board believes that the proper balance of research, reflection, and action on its part can result in the kind of witness to the whole gospel of Christ which it ought to make. We intend to try hard to lift before this conference in years to come substantive Christian social concerns which should engage our minds and hearts, and should prick our collective conscience. To these ends we dedicate ourselves, hoping and praying that in the process we will serve this conference responsibly, "for the sake of Jesus Christ, our only mediator and advocate."

## THE BOARD OF PENSIONS

### REPORT NO. 1

#### PENSIONS, ANNUITY RATES, APPORTIONMENTS

We recommend that entry into the Ministers Pension Plan be effective January 1, 1982 and that the "contribution base" be established at 100% of the Denominational average salary (DAC) as determined by the General Board of Pensions for 1982. We recommend that the contribution rate be established at twelve percent (12%) of the contribution base for the Ministers Pension Plan (MPP) and four and four-tenths (4.4%) of the Denominational Average Salary for the Comprehensive Protection Plan (CPP) with costs of all benefit programs determined by the Conference Board of Pensions and apportioned to the local churches by the formula used to determine all conference apportionments.

We recommend that the total annuity rate for service years prior to 1982 be one-hundred twenty-five (125.00) dollars per service year as a minister or approved lay pastor with pension credit; the total rate for widows be eighty-seven dollars and fifty cents (87.50), provided that, for ministers, lay pastors and widows who are provided homes by the conference the annual pension amounts be adjusted by a reduction equivalent to fifteen (15.00) dollars for ministers and ten dollars and fifty cents (10.50) for widows for each year of service as a minister with pension credit in any conference or under special appointment with or without pension credit upon the Alabama-West Florida Conference.

We recommend that the apportionment to the local churches for the pensions and benefit program of the annual conference be \$1,200,000 for the calendar year 1982.

We call attention to paragraph 1706.4b of the 1980 Discipline relative to the requirement that the apportionment for the pensions and benefit programs be paid in proportion to payment of a ministers salary and to the policy of the Board of Pensions charging defaults to ministers which constitutes a lien upon pension claims if not otherwise paid. Interest is added to other unpaid obligations at the rate of seven percent annually.

REPORT NO. 2

DEATH BENEFIT PROGRAM

The provision for Death Benefits provided in the Comprehensive Protection Program based upon the approximate benefits of the former Death Benefits Program plan "B" reduces the level of benefits now provided in our program.

We therefore recommend the adoption of the "DBP-PLUS" program offered by the General Board of Pensions which allows supplementation of CPP benefits to maintain a constant level of benefits which are now in place in the conference. We recommend that the "base amount" for determining costs of "DBP-PLUS" be established at seventy-five percent (75%) of the Denominational Average Salary (DAC), that the annual costs per member be set at .051 of the base amount which would provide the following benefit when compared to DBP-C, our present plan.

For active ministers:

|                       | CPP<br>payment | DBP<br>Plus | Total  | Present<br>Plan "C" |
|-----------------------|----------------|-------------|--------|---------------------|
| Death at under age 47 | 25,500         | 12,750      | 38,250 | 38,250              |
| Death at age 47       | 24,650         | 12,329      | 36,979 | 36,975              |

Retired persons:

|                    |       |       |       |       |
|--------------------|-------|-------|-------|-------|

| Death of spouse    | 2,550 | —     | 2,550 | 2,550 |

| Education Benefits | 1,700 | —     | 1,700 | 1,260 |

We further recommend that premiums for Death Benefit programs be maintained by the Conference Claimants Fund.

We recommend that the present policy for eligibility, enrollment and participation in the DBP-C plan be continued in newly adopted plans.

REPORT NO. 3

RESERVE FUNDING OF PENSIONS

We recommend that the resolution designated as Report Number 1, page 161 of the 1969 Journal and subsequent amendments, recorded on page 154 of the 1972 Journal and page 135 of the 1973 Journal shall be further amended to provide that, effective with the deposit due December 31, 1982, the level annual deposit for the purpose of funding pensions through the Ministers Reserve Pension Fund shall be \$589,000 such adjustment being required to fund prior years at the rate of \$125 per service year.

REPORT NO. 4

HOMES FOR CLAIMANTS

We recommend that \$40,000.00 be apportioned in 1982 for homes for claimants subject to the approval of the Council on Finance and Administration of the Alabama-West Florida Conference.

The total concept of this program is now under study by a Committee of the Board of Pensions and Homes for Claimants of this Conference. This Committee is working diligently to formulate a set of immediate and long range goals to guide the director of this effort. An immediate policy that has been established is that we will no longer purchase or build single-family living units for this program. We will concentrate on acquiring multi-family type housing in locations that will insure long range future use and provide a sense of community to those persons living in the units. We will, of course, continue to accept bequests of property in any category with the intent of utilization for as long as practical.

The Conference now owns 47 living units that have an insured value of \$1,188,700.00. On this property, we had a total indebtedness on Jan. 1, 1981, of \$37,211.50. This indebtedness requires monthly payments of approximately \$520.00.

Our experience for the past two years indicates that we have averaged spending almost \$35,000.00 per year for maintaining, repairing and insuring our homes.

The program has on deposit in interest bearing accounts a total of \$81,000.00. Nearly \$40,000 of this is held in reserve and pledged to pay two annuities to persons who have deeded their homes to the Board. The remainder is capital reserves to be used to acquire other properties as needed.

The Board also holds two mortgages on property it has sold to individuals that produce \$480.73 income per month.

CLAIMANTS MEMORIAL FUND

We recommend the continuation of the Claimants Memorial Fund, such funds being invested by this board with interest being used for the benefit of the conference claimants. Individuals and groups are invited to make voluntary contributions in any amount to the fund as memorials to deceased ministers or members of ministers families or lay persons. Checks should be made payable to the Alabama-West Florida Conference and sent to the Conference Treasurer, Box 700, Andalusia, Al., 36420, with the name or names of persons being memorialized. The families of the memorialized persons will be notified of such memorial gifts.

REPORT NO. 6

SPECIAL APPOINTMENT PENSION RESPONSIBILITY

In keeping with Paragraph 1706.3A3 of the 1980 Discipline, we recommend that the

following United Methodist institutions or organizations be approved for pension responsibility on this Annual Conference: Alabama-West Florida Conference Council on Ministries, Assembly Ground Commission, the Wesley Foundation at Auburn University, the director of Pension Funding Crusade and Homes for Claimants.

We recommend that special appointments as employees of United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the armed forces be listed as with pension responsibility on the chaplaincy of the military service.

We recommend that ministers under appointment as approved evangelists, to Inner City Missions, to The Methodist Christian Advocate, to other area appointments and to other special ministries, shall be listed as with pension responsibility on this Annual Conference only upon payment to the Conference Claimants Fund an amount equal to 12 percent of the denominational average salary for conference members which for the year 1982 would be \$2,040.00 (\$125.00 per month). See Paragraph 1706.3a of the 1980 *Discipline*.

We recommend that special appointments to non-Methodist institutions shall be listed as without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed as with pension responsibility on the Board of Global Ministries of The United Methodist Church.

## REPORT NO. 7

### DEPOSITORIES

We recommend that the official depository for the pension funds shall be the same as that designated by the conference for other conference funds and the General Board of Pensions of The United Methodist Church; provided that the Board of Pensions and Homes for Claimants may from time to time determine other depositories for invested funds among financial institutions that are insured by a government sponsored agency.

## REPORT NO. 8

### PENSIONS FOR LAY EMPLOYEES

We strongly endorse the reserve pension plan administered by the General Board of Pensions for lay employees of United Methodist agencies and local churches. We recommend it to our local churches and agencies and urge that they use this official plan for The United Methodist Church to provide pension coverage for the devoted lay men/women who serve in their employ just as the Annual Conference provides for pensions for ministers.

Interested churches and agencies should contact: Ray Whatley, General Board of Pensions, The United Methodist Church, 1200 Davis Street, Evanston, Illinois 60201. Phone (312) 869-4550.

## REPORT NO. 9

### FULL-TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT

We call attention to the following provisions which appear in paragraph 1706.4a of the 1980 *Discipline* relative to full-time service as a normal condition for pension credit.

a. Full-time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part-time service by a three-fourths vote of those present and voting in the Annual Conference, on recommendation of the conference Board of Pensions (and Homes for Claimants).

b. Full-time service shall mean that full time is devoted to the work of a pastor by one who has not attained the age of mandatory retirement for a conference member, who is not attending school as a regular student, who is not substantially employed in nonpastoral work; and whose cash support per annum from all (church) sources is not less than the schedule of equitable salaries adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full-time service as defined, unless such credit is granted by special action under extremely unusual circumstances.

REPORT NO. 10

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES  
FOR RETIRED MINISTERS OF THIS CONFERENCE

**Whereas**, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

**Whereas**, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

**Whereas**, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed minister in consideration of previous, active service; and

**Whereas**, the Internal Revenue Service has recognized that the Alabama-West Florida Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this conference;

**Now Therefore Be it Resolved**, that an amount equal to 100% of the pension payments received during the year of 1981 be and is hereby designated as a rental/housing allowance for each retired ordained or licensed minister of The United Methodist Church who is or was a member of the Alabama-West Florida Conference at the time of his or her retirement:

that the pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired minister from all employment by any local church, Annual Conference or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

**Note:** The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of:

- 1. the amount of the rental/housing allowance designated by the minister's employer or other appropriate body.
- 2. the amount actually expended by the minister to provide his or her housing, or
- 3. the legally determined fair rental value of the parsonage or other housing provided.

As specified in IRS ruling 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

We recommend further that pension payments to Charles S. Syfrett, a retired local pastor, shall be based on ten years of service effective January 1, 1982 and for future years.

This action will simply establish permanently for these persons the bases on which their payments have been made for more than a decade, except that their total payments will be recognized as regular pension benefits within the conference funding system rather than being provided in part by special grants that have to be renewed annually.

PENSION FUNDING CRUSADE

The Conference did mark the third anniversary of the Pension Funding Crusade on April 30, 1981. We are now in the fourth and final year of this effort to underwrite the pensions programs of the Alabama-West Florida Conference through this present year, 1981.

The very positive attitude on the part of United Methodist people across this annual Conference is most inspiring. Interest and concern for this effort continues to run high and offers assurance that we will accomplish our goal of receiving a record amount for a single cause in the history of our Conference.

The date of this writing causes us to be unable to report the receipts through the anniversary date, but this information will be provided during the Conference session.

Funds received at the closing of books on Feb. 28, 1981 total \$2,488,659.27, or 60% of the adjusted four year goal of \$4,157,347. Add to this total received a sum of more than \$500,000 for interest earned and the total on hand generated through the Pensions Crusade totals over \$3,000,000.

Your Crusade Committee is now very confident that the goal of over \$4,000,000 can and will be reached by April 30, 1982. We encourage the churches of this Conference to continue to strive to fulfill their accepted goals so we can truly celebrate this extraordinary effort at our Annual Conference session in 1982.

## COMMISSION ON EQUITABLE SALARIES

The purpose of the equitable salary fund is to provide assistance to those ministers and their families serving charges whose salary will not assure a minimum standard of living. We believe that every charge desires to provide its minister with an adequate salary without assistance.

1. We, therefore, recommend that all charges receiving equitable salary assistance continue a program that will eliminate the need for salary supplements for their pastors.

2. The DISCIPLINE requires that a fully scheduled equitable salary be paid before pension credit can be granted by the Board of Pensions. To participate in the Insurance and Death Benefit Programs the minister must have pension credit. To receive fully scheduled equitable salary for the minister's category the Church must pay 80% of the equitable salary schedule for 1982. Pastors of newly organized congregations can for two years receive up to one-half of the equitable salary schedule from the fund for its pastor.

3. The equitable salary schedule shall be based on the average Conference salary of the full connection and probationary members as determined by the Board of Pensions. The schedule for the various categories (rounded to the nearest \$100) will be based on the following percentages of the average Conference salary:

Members in Full Connection, 80% of average Conference salary

Probationary Members, 80% of average Conference salary

Associate Members, 70.5% of average Conference salary

Seminary Students (married), 62.5% of average Conference salary

Seminary Students (single), 58.5% of average Conference salary

Full Time Local Pastors, 66% of average Conference salary

Local Pastor-Student (married), 50.5% of average Conference salary

Local Pastor-Student (single), 46.5% of average Conference salary

4. The amount of equitable salary a minister is eligible to receive is based upon the total of his salary, travel allowance, utilities and other approved church related allowances.

5. Only full time pastors, retired pastors as specified in Item 6, and student pastors are eligible for equitable salary support.

6. If the combined total of all income received from The United Methodist Church by a retired minister (plus his Social Security) is not equal to the equitable salary schedule then the Commission on Equitable Salaries shall pay the difference up to \$2,400.00. To qualify the retired minister must be serving full time.

7. It is recommended that the equitable salary secretary be authorized to issue check orders for equitable salary only after each District Superintendent has certified (a) complete income and amount of need of each pastor who is to receive equitable salary aid; (b) that the charge did conduct an Every Member Commitment program emphasizing the total program of The United Methodist Church; (c) that the pastor gives leadership in promoting the total financial program with special emphases being given to the ministerial support and World Service and Conference Benevolences apportionments. It is not the responsibility of the Commission on Equitable Salary to determine all the ramifications of a man's employment; this is the responsibility of the Superintendent. It is recommended that the secretary withhold any funds until the District Superintendent has provided all the information as accurately as possible on the forms provided by the secretary.

8. No pastor of any classification shall receive aid from the fund if he receives income from any other church source, if the income, plus salary from the charge he or she serves, is more than the equitable salary for his or her classification, except as provided in 16 and 17 of this report.

9. No person qualifying for equitable salary which amounts to less than \$100 will receive any equitable salary. We feel that local churches can take care of this small amount.

10. The administering agency will not grant aid to any Probationary or Associate member who does not pass a full year of the Course of Study or fails to meet the minimum requirements for a student.

11. No associate pastor shall receive aid from this fund.

12. Each District Superintendent is required to review all equitable salary situations in his district to reduce the need of equitable salary funds. No charge shall receive equitable salary assistance when divided unless the Town and Country Commission has surveyed and recommended, and the Commission on Equitable Salaries has approved the division. We recommend that churches or charges, to be eligible for equitable salary aid, should consist of three or more churches or a minimum of 100 members, except in the case of a new church.

13. We recommend that the Conference Budget provide the funds necessary to carry on the equitable salary program as directed by the Annual Conference.

14. The secretary of equitable salary shall file with the Assistant Secretary of the Journal for publication in the Journal each year a report listing the payments for the equitable salary fund during the year, giving names of the pastors and charges, and amounts paid from equitable salary fund.

15. We recommend that no pastor serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable salary unless there is no appointment available for him in this Conference and he is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the pastor himself shall not be considered reason enough to receive equitable salary aid.

16. The Commission on Equitable Salaries feels that there may exist from time to time certain situations within our Conference where special attention may help a church to more quickly become self-sustaining. In such situations, a supplement, determined by the Commission on Equitable Salaries, above the regular equitable salary, may be given the pastor, provided the money is available for this purpose. Normally no situation will receive this special consideration for more than four years. Ordinarily no more than three such situations will be considered during a year, based on money available. Such cases will be called Growth Potential Situations. In order to be considered, every case will be judged by certain criteria, and final determination will be done with the approval of the Board of Missions, since this board handles the money for church extension. Each situation will be judged by the following criteria: a. growth potential; b. leadership requirements; c. age of the church; d. indebtedness.

17. In the case of cooperative parish ministries or specialized ministries the District Superintendent, in consultation with the District Board of Missions and Commission on Equitable Salaries, shall be allowed to supplement the salary of a pastor/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary support.

18. The Commission on Equitable Salary feels that there may exist from time to time hardship cases, which need to be considered for help. These cases may be presented by the District Superintendent to the Commission. Sensing a need for such help for a charge, the District Superintendent should hold the Charge Conference before the November meeting of the Commission on Equitable Salary. The final decision on each situation will rest with the Commission on Equitable Salary.

19. As an incentive to motivate churches to begin to reach toward total support of their pastoral leadership, we propose to give the preacher 60% of any salary increase above the amount currently paid by the church after the Minimum support required for his or her category has been reached. This would apply to the charge which he or she is serving at the beginning of our payment period, which is January 1. This supplement is to be recomputed each year and we recommend that the Cabinet consider this accumulative amount as part of his salary when appointed to another charge.

20. We recommend the following be the Equitable Salary Schedule for 1982:

|                                      |           |
|--------------------------------------|-----------|
| Member in Full Connection .....      | 12,600.00 |
| Probationary Members .....           | 12,600.00 |
| Associate Members .....              | 11,100.00 |
| Seminary Students (married) .....    | 9,800.00  |
| Seminary Students (single) .....     | 9,200.00  |
| Full Time Local Pastors .....        | 10,400.00 |
| Local Pastor-Student (married) ..... | 7,900.00  |
| Local Pastor-Student (single) .....  | 7,300.00  |

## CONFERENCE BOARD OF THE LAITY

This has been a year of much activity in the lay work of our Conference. We've seen numerous changes in leadership, we've undertaken new tasks, we've participated regularly in

Conference, District and local church activities, we've offered opportunities for self development and we've supported these activities in a most encouraging way.

God has surely laid His hand upon Alabama-West Florida United Methodists. He has given us leaders second to none and He has led us to respond in like manner. Of major significance is the manner in which our people supported the Conference-wide Lay Speaking Workshop. One hundred men and women assembled at Blue Lake for these sessions. Leaders from inside and outside our Conference provided the spark that has caused us to re-examine our past and plan for a concentrated program in Introductory and Advanced Lay Speaking training in 1982. Haniel Jones and Randall Estes are to be commended for the success of the Workshop, and we solicit the support of the Conference as we work to implement its result.

In its deliberations through the year, the Board agreed that a major emphasis must be placed upon Stewardship. One very basic element of Christianity is Christ's constant teaching and demand that we be good stewards in all areas of our lives and service. As a result, the theme for the Board's Stewardship emphasis has been Time, Talent, and Treasure. Glenn Carmichael, Conference Director of Stewardship arranged for and led a Workshop in early March for Stewardship leaders throughout our Conference. We drew upon the resources of our General Church and upon our local Conference leaders to give the in excess of 50 participants some expertise to take back to their Districts and local churches for implementation. Good Stewardship of our total selves is such a vital part of our Christian heritage. As Methodist people that we must place more emphasis upon it if we are to truly be God's people.

Continuing the Stewardship theme of Time, Talent, and Treasure, the Annual Laity Retreat enjoyed the spiritual leadership provided by Dr. Robert C. Morgan. Great things will happen as a result of our sharing together in those few days. We are grateful to Bishop Robertson for his presence and support and to Dr. and Mrs. Claude Gossett for the outstanding Music Program they provided.

We welcome Dr. Marvin Grunzke, the new Montgomery District Lay Leader and Mrs. Kenneth L. Weekly, new Conference President of United Methodist Women, to the Conference Board of the Laity; and we express appreciation to Dr. C. Everett Barnes, Director of the Conference Council on Ministries, for his active participation in the work of the Board and for his continuing interest and support of the Church through the Laity.

We continue to pray for God's help in our efforts to be good stewards in His Service.

Jack Temple  
Conference Lay Leader

## BOARD OF EVANGELISM

One of the outstanding events sponsored by the Board of Evangelism was the workshop on "Spiritual Gifts" in October, 1980, at Blue Lake. There were more than one hundred persons enrolled in this workshop, about half clergy and half laity. The purpose for this workshop, led by Dr. Dan Reeves from the Department of Church Growth, Fuller Theological Seminary, was to equip individuals for discovering their spiritual gifts and putting them to work in the local church. The Board of Evangelism underwrote the cost of the two-day event, except for materials.

Most of the churches in the Alabama-West Florida Conference participated in "Proclaim the Word" evangelism events during March and April, 1981. As part of the training for ministers for these events, Dr. Ellsworth Kalas, Senior Minister of the Church of the Savior (United Methodist), Cleveland, conducted two one-day seminars on "Preaching for a Verdict." The first, for ministers in the northern districts, was in November, at The Aldersgate United Methodist Church, Montgomery; the second, for ministers in the southern districts, was in February, at The Niceville First United Methodist Church.

There are several "Next Step" (follow-up) events planned for the coming months. Dr. Frank Warden, Minister of Evangelism at Highland Park United Methodist Church, Dallas, will lead a workshop on "How to Develop Christian Disciples" at Huntingdon College, on May 15-16, 1981. We hope to have one hundred persons enrolled to learn how to develop Christian disciples in the local church, and then go back into the districts to lead local workshops. Dr. Warden is also the author of "Trinity Bible Studies," an excellent method of Bible study, which the Board recommends to local churches.

The Board of Evangelism plans to have completed by Annual Conference, 1981, a handbook for local church Evangelism Chairpersons. We hope this will be a helpful tool.

The Board has placed an excellent new movie, "Meet A Miracle," in the Conference Film Library. It is a 28-minute color film filmed in Fiji, the Philippines, and Mexico, presenting actual persons in these countries who have had life-challenging and life-changing experiences in Jesus Christ. It is excellent for all ages.

Plans for 1981 and 1982 include some new ventures including the following:

A Parsonage Family Spiritual Enrichment event, "Bringing the Good News to Bear on Those Who Bear the Good News," at Blue Lake, on Laity Day weekend, October 10-11. The need for such an event is evident when we consider the tremendous pressures on ministers' families today. Rev. and Mrs. Jack Gray will be the resource persons for this event, with something special planned for men, women, youth, and children. The youth will be encouraged to participate in Fall Rally on Saturday. We hope that Bishop Frank Robertson will be able to preach at the closing session on Sunday. Churches are encouraged to send their minister's families to this spiritual enrichment event.

An enabling event for ministers in the Spring of 1982, part of the Southeastern Jurisdiction's "Next Steps" program.

A "Blue Lake Camp Meeting" is in the planning stages for the summer of 1982, probably the week of June 23-27. This is the result of requests by the laity of the conference, and we hope it will come to be known as the "Candler Camp Meeting" of Alabama-West Florida.

The Alabama-West Florida Conference showed a net loss of 403 members in 1980. The main reason appears to be a "purging" of the rolls by Charge Conference Action. The number of persons removed by this method in 1980 was 2,450, compared with 1,444 in 1979. The Board encourages every local church to become a "functioning center of evangelism," and launch a vigorous campaign of winning converts to Christ and the Church. We believe it is possible to win a net increase of 1,600 new members each year.

Our three newest churches are showing rapid growth. Christ United Methodist Church (Mobile), Covenant United Methodist Church (Dothan), and the new church at Lillian (Pensacola District) now have over 600 members. We urge the district superintendents to continue exploring the needs and possibilities for new churches.

Believing that the Sunday School is a vital channel for evangelism, we urge the strengthening of the Sunday School. We commend the Committee on the Sunday School for making good resources available for training and equipping teachers.

We strongly urge that every District Coordinator of Evangelism attend the 1981 Week of Evangelism at Lake Junaluska in August, and we have funds available to assist them.

This board expresses appreciation to Bishop Frank Robertson for his strong support of the cause of evangelism. He has given a high priority to evangelism, and we believe we will continue to see great results in our Annual Conference.

We encourage support for the Foundation for Evangelism, which is involved in endowing chairs of evangelism in United Methodist seminaries and offering training in annual conferences. World Service Special Gifts may be given to this Foundation established by Dr. Harry Denman. Please send gifts to the Conference Treasurer, marked "World Service Special: Foundation for Evangelism." In cooperation with the Foundation for Evangelism, we hope to begin presenting the Harry Denman Evangelism Award annually to the minister and the church showing the greatest efforts in evangelism.

We urge every United Methodist in the Alabama-West Florida Conference to accept as his/her personal calling the challenge to be fishers of men, seeking and winning persons to Jesus Christ and the Church. Let us share the Water of Life with a thirsting society, and help others to "grow in His likeness," so that we may "add to the Church daily."

John W. Bryan, Chairman

John C. Carmichael, Secretary-Treasurer

## CONFERENCE COUNCIL ON MINISTRIES PROGRAM PRIORITIES FOR 1982

Each Annual Conference Council on Ministries has the purpose of receiving program recommendations, to develop these in a coordinated program and provide implementation of the program as adopted by the Annual Conference. (See paragraph 717). In keeping with

these responsibilities, your Conference Council seeks to implement the challenge given us by the Church as it strives to meet the needs of God's world.

With this in mind, we lift for particular emphasis the priorities as set by the General Conference which challenge us. These are:

1. The Missional Priority for the quadrennium is "The developing and strengthening of the Ethnic Minority Local Church."

2. Five special programs:

- a. Africa.
- b. Church and Campus — An Essential Evangelism.
- c. World Peace and Self-Development of Peoples.
- d. World Hunger.
- e. Strengthening the Local Church for Its Evangelistic Mission in the World.

We urge each local church to avail itself of the resources available to implement these priorities.

The recommendations of the Research and Planning Committee and adopted by your Conference Council includes a reaffirmation of our need to continue several programs already adopted by the conference. These are:

1. Emphasizing ministries to older adults, pre-school children and families with added emphasis on Sunday School attendance and enrollment.

2. Evangelizing to reach 1600 new members each year and the establishment of two new churches each year through 1984.

3. Encouraging all churches to become "Four Star" mission churches and all families to become members of the "Ten Dollar Club."

4. Training new ministers through the "Ministers' Workshop," assistance in developing programs for small membership churches and the provision of resources available to ministers in areas of service, training, planning and programming.

We would add the following:

1. District Officer Training Program. Staff, boards and agencies to recommend to the District Superintendent persons to serve as District Coordinators. Each board or agency is to supply guidelines to District Coordinators by January 1 of each year defining their job as related to local church, annual conference, and General Church. Leadership training will be held for each District Council on Ministries annually. By February 15 of each year each district will provide training for local church officers.

2. Each District Committee on Church Location and Building is to survey their area for possible new church location. This is to be referred back to Research and Planning at its fall meeting for possible implementation by the Board of Missions.

3. Implement the Ethnic Minority Local Church Missional Priority by the Research and Planning Committee, Town and Country Commission, Religion and Race and two members of the Committee on the Ethnic Minority Fund. Meetings shall be held with persons from Ethnic Minority Local Churches to assist in planning and setting goals for involvement.

4. Continue, with added emphasis, our concerns for the elderly and handicapped.

Each board and agency should continue its emphasis on the areas for which it has specific responsibility. These goals must be translated into action in the local church. Resources in persons and materials are available. We urge each person in areas of leadership to avail themselves of all which would enable them to fulfill their task.

Your conference staff is available to assist in any way on the local, district, or conference level.

## ASSEMBLY GROUND COMMISSION

### BLUE LAKE CAMP

This year has been a year of change and transition at Blue Lake. Although there was a change in the Directorship, the transition was made smoothly and has continued in a normal way. The orderly transfer of leadership was made with the aid of the former Director, Fletcher Howington. For his patience, helpful information and willingness to help, I am grateful.

Your Assembly Grounds is one of the most beautiful and best equipped in the Southeast. It is in constant demand not only by our own people but by those of other denominations and groups. This ministry is an ever expanding one and we are grateful for the support that we get from our people. During the past year over 179 different groups used Blue Lake for their programs. There were 126 United Methodist Churches, Conference and district groups and 53 non-Methodist groups served by your assembly grounds. These represent a total of 29,700 "camper days."

The policy of Blue Lake concerning reservations is as it has been for many years. Conference boards and agencies, and district and local churches are urged to plan and schedule their retreats early. When groups are small an effort is made to schedule more than one group in Oakwood in order to accommodate more groups. Methodist boards, agencies and local churches in the conference have until October first to schedule their activities for the three months of June, July and August. After the first of October, non-conference groups will be scheduled if dates in the summer are available.

A reservation deposit of \$50.00 is required with all confirmation forms for reservations. This deposit will be forfeited if reservation is cancelled less than 5 weeks prior to scheduled camp.

The rising cost of food, labor and utilities have forced us to raise rates at the Lake. The rates for Blue Lake are as follows: Methodist groups within the Annual Conference: \$16.00 per person per day at Oakwood Lodge. \$14.00 per person per day at Pinewood and Dogwood camps. These rates include one night lodging and three meals and insurance.

The Blue Lake Partner program you rated at the last session of the Annual Conference has continued to grow. Through the use of these monies some of the needed improvement to the facilities have been made already. We are deeply grateful for those who have responded to this program in a generous way and know that others will want to become a part of Blue Lake ministry by joining the Blue Lake Partners. I am confident that with your help we can once again have the Assembly Grounds in A-1 condition.

The Blue Lake Fund is the life line of the Blue Lake ministry and without the continued support of the local churches through their budget we cannot make it, therefore, we urge each of you to accept and pay "in full" the Blue Lake apportionment.

The continued support of the United Methodist Women is greatly appreciated. The U.M.W. is always ready to aid in the growth of the Assembly grounds for the use of the Conference.

Blue Lake is your church camp and your church should use it as often as possible. Large, small, or in-between, your church group is welcome and at home in this beautiful setting. Bring groups for retreats and send every person you can to the camping opportunities.

It has been a rare privilege to be associated with the Blue Lake Assembly Grounds and to have been a part of the various activities this year. Your cooperation, support and understanding has been a great help. I am deeply grateful to the Blue Lake Commission and to its Chairman, The Rev. Henry Eddins, for their support and confidence in this our first year.

Respectfully submitted

Linwood A. Lewis

## THE BOARD OF EDUCATION

The Board of Education serves as a resourcing agency to respond to the needs of the local churches of our Conference. It is, however, the Local Church which determines their own needs, initiates programs and searches for helps which we can provide. We have realized as we organized for our work in this quadrennium that our most significant and lasting contributions are found in equipping and resourcing persons rather than distributing planned programs.

We perceive the purpose of our many activities to be to facilitate the development of skills which will enable both clergy and lay persons to become knowledgeable disciples and to effectively be involved in the ministry of God's people through the church to the world. We have organized our Board into eight standing committees, and it is through the aggressive leadership of those committees that we are going about our work. The many faceted dimensions of our ministry are noted in the reports which follow.

A special note of appreciation for the gifts of time, energy and talents goes to all the members of our Board — the professional staff of the Council on Ministries who work with our Board: Everett Barnes, Carolyn Cumbie, Buddy Capps and Mark Stewart, and the following persons who are chairpersons of our standing committees:

Jim Belcher, Chairperson of Children's Committee  
Nancy Hastings, Chairperson of Council on Youth Ministries  
Jud Stinson, Chairperson of Young Adult  
Joe Reams, Chairperson of Adult Ministries  
Ed Britton, Chairperson of Older Adult  
Jim Love, Chairperson of Family Life Ministries  
Karen Murphy, Chairperson of Sunday School Committee  
Charles Hale, Chairperson of Camping Committee  
Charles Hays, Chairperson of Leader Development  
Nancy Pugh, Chairperson of Futures Committee

Henry E. Roberts  
Chairman of the Board

The most successful event which THE CHILDREN'S COMMITTEE has sponsored in the last two years was the institutes on "Developing The Faith of Children" with Dr. Carrie Lou Goddard as the resource person. An outgrowth of these institutes, Ms. Goddard returned to our Conference on March 27-28 and led a second seminar on the subject "Children: Developing Their Faith."

At present, we are preparing a booklet on weekday ministries which is being developed by Ms. Sue Parnell. In the future, we are planning a seminar with Gloria Thomas on "Week Day Ministries." In addition to these activities, we are considering involving our committee with "children and television" in the future.

## CONFERENCE COUNCIL ON YOUTH MINISTRY

The 1980-1981 year has been an exciting sequence of events for the Conference Council on Youth Ministry (CCYM).

It began early in June with the Youth Service Fund Caravan with four youth traveling throughout the Conference. Those attending the program in each district became more aware of the Conference Council on Youth Ministry, Youth Service Fund, and opportunities for fellowship with other youth.

The Reverend Buddy Capps led many youth on a tour of Costa Rica and Guatemala. This is an excellent learning experience about United Methodism in mission in Central America.

We sent four representatives to the Southeastern Jurisdictional Youth Caucus. Among those representatives, Alecia Curtis was elected to the General Council on Ministries.

November 8th found many United Methodists in Six Flags Over Georgia. Our CCYM along with North Alabama and South Georgia Councils on Youth Ministry sponsored a United Methodist Day at the park.

About 1,400 youth and adults gathered together for our annual Fall Rally at Blue Lake. The theme was "New Beginnings." We were proud to host Morning Star, Perry Hill Youth Choir, and other singing groups along with the inspirational speaker, the Reverend Kent Kilbourne.

The projects chosen to be supported by the Youth Service Fund are the Upper Sand Mountain Parish, Camp 37 in Costa Rica, and Mountain TOP (Tennessee Outreach Program), La Casa de Amigos, and Dumas Wesley. Through the giving of youth groups in the Conference, Youth Service Fund receipts totaled \$10,056.

An exciting addition to the summer program is a youth work camp in Costa Rica. This will be a two week trip in July of work and witness.

The Conference Council on Youth Ministries is both proud and grateful to be part of the work that is done for and by the youth of this Annual Conference.

Respectfully submitted,  
Nancy Hastings

THE COMMITTEE ON ADULT MINISTRIES has three areas of primary interest for this quadrennium. They are: Young Adult Ministries, Older Adult Ministries and Adult Ministries Development.

The Rev. Jud Stinson is chairperson of the Young Adult work area of the committee. He is also the committee's representative to the Council on Young Adult Ministries. On February 6 and 7, 1981 a winter retreat was held at Blue Lake. Sixty young adults attended this event. Two retreats a year are projected for the quadrennium. This year, one retreat will be planned to deal with personal growth and the other with spiritual growth. The Rev. George Gilbert will be the leader of the summer retreat, June 12-14, 1981, at Oakwood Lodge. The theme will be "Commitment." The fall retreat, November 13-15, 1981 will be a Bible study led by Dr. Tom Parker. The winter retreat will be led by Dr. James Fowler, Associate Professor of Theology and Human Development at Candler School of Theology and will be held January 20-21, 1982.

Two district events have been planned in conjunction with the Young Adult Council this year. A valentine Banquet was held in Mobile and a district rally in Montgomery at Aldersgate Church on March 28, 1981, with the Rev. Lawson Bryan preaching. A young adult lab school took place in Montgomery in May, 1981 and teams from this experience will be sent into local churches to help develop young adult ministries there.

The Council on Young Adult Ministries met for two days, April 3 and 4, 1981, at the R.E.A. Lodge near Andalusia. The Council is organized with two representatives from each district.

The older adult work area is chaired by the Rev. Edward Britton. Four of the committee members attended a jurisdictional training event at Lake Junaluska last Summer. On November 15, 1980, a workshop on Older Adult Ministries was held at Blue Lake with seven districts represented. The Older Adult Assembly was held on May 11-14, 1981, at Blue Lake. The Rev. Billy Doyle Gaither was the speaker. The older adult population is growing greater each year. The work area is planning a training event in each district to orient local churches to the opportunities for older adult ministry.

In the area of training for adult ministry, the committee hopes to hold experiential-type workshops on optimum functioning for local committees on nominations and personnel. These workshops will be held in cluster groups of churches with the goal of having the trainees go back into the local situations to lead the local committees in a training experience. This plan will enrich the process of selecting, training, and supporting parish adult leaders in ministry. Mrs. Carolyn Cumbie is the Conference Council staff person who relates to the Adult Committee and who will be especially instrumental in this effort.

It is the hope of the Committee on Adult Ministries that the ministry of Christ will continue to be understood and shared to a greater degree among the United Methodists of Alabama and West Florida.

THE COMMITTEE ON FAMILY LIFE MINISTRIES plans to promote two emphases

during the new quadrennium. They are: Ministry To and With Singles and Singles Again, and the Marriage Enrichment Program.

There are adult persons who are single, for whatever the reason, who constitute family units in each of our congregations. In cooperation with the Committee on Adult Ministries, we plan to emphasize a ministry to and with these persons.

We recognize the importance of the family unit in our society. We believe that the Marriage Enrichment experience can strengthen marriage among our people and thereby strengthen the family. We plan to promote these experiences throughout the Annual Conference.

On the weekend of October 31, we plan to hold a Family Life Camp at Blue Lake. Make your plans now to attend.

THE SUNDAY SCHOOL COMMITTEE has been very busy in the celebration of the Bi-Centennial of the Sunday School. At the Annual Conference, a Sunday School Rally was held with an original historical drama, "The Harvest Is Plenteous," by Martha Frazier Rankin of Montgomery. Dick Murray, Professor of Christian Education at Perkins School of Theology, SMU, Dallas, TX, gave a very challenging address concerning the future of the Sunday School. A historical display of Sunday School memorabilia was also set up.

The Committee provided information about and encourages each local church to have at least two Sunday School Rallies/Attendance Campaigns each year. It is suggested that one be in the fall and the other in the spring.

"A Handbook of Ideas To Strengthen Your Sunday School" has been printed and distributed to local church pastors and education coordinators. Additional copies are available from the CCOM Office.

A Sunday School Weekend will be held September 25-26 at Oakwood Lodge, Blue Lake. Dr. Don Welsh, President of Scarritt College in Nashville will be the keynote speaker on the theme of "The Bible, The Sunday School, and the 1980's." The weekend is designed for the local church's Sunday School teachers who will have the opportunity to participate in four of twelve workshops which should help them with needed skills and information.

Lastly, the providing of teacher training in the small membership churches continues through the district program of "Teaching Yourself To Teach."

THE COMMITTEE ON CAMPING is delighted to report that the camping session of 1980 was one of the best summers that Blue Lake ever had. In the Elementary Camps, we had a total of 576 campers. In the Junior High Camps, 300 campers participated. The Senior High and Mid-High Camps drew a total of 279 participants. The 1980 Summer Special Ministries Camps ended a really great summer. Almost 200 campers participated in the Bell Camp, the two 4-L Camps and the 2 Camp Discoveries.

The camping program of 1980 was successful because so many people really cared. Let us express our appreciation to so many people who made the camps of 1980 possible. We appreciate very much each of the volunteer staff, the camp staff and the program staff at Conference Headquarters for their outstanding leadership.

In looking forward to the summer of 1981, plans are being made for many kinds of camping experiences. The Camping Committee has made plans for seven elementary camps for rising fourth, fifth and sixth graders and five junior high camps for rising seventh and eighth graders. There are several specialty camps — Youth Adventures in the Bible, Senior High Assembly, and Leadership Development. This summer Blue Lake will have two new camps — a Youth/Adult Work Camp and a Canoe/Trail Hike Camp. We can be so proud of the work of Blue Lake sponsors in Special Ministries Camps such as Bell Camp for those with a hearing loss, 4L Camp for those children with mental handicaps, Sunshine Camp for mentally handicapped adults, and Camp Discovery for underprivileged inner-city children.

One of the truest tenets of Christianity is that we are concerned with the giving of our gifts after the example of our Lord. Seeing to the operation of all these camps is never simple. It takes much time from many people; financial contributions and spiritual support from each church in our conference. Please remember the work of Blue Lake camps. All who participate, be they children, youth, or adults, are far richer for their experience. We are so fortunate to have a facility like Blue Lake Camp in our conference.

In this first year of a new quadrennium, THE LEADER DEVELOPMENT COMMITTEE has given careful attention to the task of understanding the dimension of its work and the

scope of its responsibilities. As a result, the committee has made a commitment to be responsive to the needs for leader development as these needs are expressed by local churches in our conference.

The Leader Development Committee has addressed three primary areas in its work for 1980-81:

1. The committee has pledged full cooperation with the program of leader development of the Office of Educational Ministries with the Church of Huntingdon College. This office, under the able leadership of Mrs. Mary Ellen Bullard, is offering excellent opportunities for leader development for local churches in our conference.

Our committee has pledged some financial support for a second "Church School Teacher Training and Development Event" (through the Office of Educational Ministries with the Church) for 1981. We encourage each local church to consider the many opportunities offered through this office at Huntingdon College, and to promote, encourage, and enlist persons in the local church to participate in the leadership training events offered.

2. The committee has begun work in some districts to discover what leaders are needed in what areas in the local church. Once this information has been secured, the committee will assist local churches in the development of leader training events to answer their needs.

3. The committee has begun work on the compiling of a directory of personal leadership resources among the clergy and the laity of our conference. It is hoped that this directory, when completed, will enable local churches to have access to competent personnel resources for leader development needs in each local church.

THE FUTURES COMMITTEE has as its purpose to experiment with new programs and avenues of ministry within our conference.

In February, 1980, our committee sponsored a Chancel Drama Workshop with 50 persons from across our conference participating. Dr. James Warren from Scarritt College, Nashville, TN, was the resource person. Many new skills and approaches to the use of drama were learned.

In September, 1980, an "Anthem Reading" session was held in the Marianna and Dothan Districts with 50 persons attending. The music was provided by J.W. Pepper with the purpose of helping those in small churches become familiar with a wide variety of anthems.

On March 21, our Confirmation Rally with Bishop Robertson took place at Blue Lake. This was an exciting day of fun and learning about the great heritage of our church.

Other plans include holding another "Anthem Reading Session," exploring the possibility of having a Children's Choir Workshop, a Confirmation Training Week, and considering ways Public Service time on T.V. may be used for Parent Education and Family Life.

We continue to sponsor the "Camp for the Deaf" that is held at Blue Lake.

Our committee members welcome ideas from members of our conference on other avenues of ministry in which we might become involved.

## BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

### REPORT NO. 1

#### ADMINISTRATION

The Board of Higher Education and Campus Ministry has been organized according to the legislation of the 1980 General Conference. We rejoice over the fact that every local church will now have a Work Area on Higher Education and Campus Ministry. We urge that each local church follow the suggestions in the Guidelines for the Work Area. Our Conference Board has been organized into four committees. They are: Wesley Foundation Committee (Frank Arnold, Chairman); Huntingdon-Birmingham Southern Committee (Stanley Mullins, Chairman); Special Days and Funds Committee (John Whatley, Chairman); and Career Planning and Counseling (Charles Walker, Chairman).

Two regular meetings of the Board are held each year — one in the fall and one in the spring.

We participate in the area task force which deals with our two colleges. In the future we plan to have a joint meeting of our Board (one from North Alabama Conference) so we can gain new insights and methods to improve our promotional work.

### APPORTIONMENTS

Our Board is given the responsibility to promote certain funds and apportionments in our conference. Two of these apportionments which we hold high in priority are the Huntingdon-Birmingham Southern Fund (Higher Education Fund) and the Wesley Foundation Fund. The Huntingdon-Birmingham Southern Fund is used to aid our Birmingham Area colleges with operational and scholarship funds. Currently the asking for this fund is \$2.75 per member (based on the conference formula). Our response to this fund has improved in recent years. We applaud this movement upward. Every local church is urged to pay its Huntingdon-Birmingham Southern Fund apportionment in full. In 1980 the conference paid \$169,266.10 to this Fund. It looks as if we will improve on that in 1981. Our records from Charge Conference report that there has been a 75% acceptance of the Fund for 1981.

The Wesley Foundation Fund for 1981 is apportioned at \$75,000.00. In 1980 the conference gave only \$43,013.25 or less than 60% of the apportionment. This means that the Methodist campus ministries at Auburn University, Livingston University, Marion, Pensacola colleges, South Alabama University and Troy State Universities were hindered in extending their witness and work. We call on our people 'called Methodists' to pay their Wesley Foundation Fund in full. It is our students, our children, who benefit from these ministries at a crucial time in their lives.

Other funds and apportionments we are charged to promote are: Black College Fund (\$54,439.56 given in 1980); Hispanic, Asian, Native Americans Fund (none given in 1980); Ministerial Education Fund (\$117,190.08 given in 1980); United Methodist Student Day (\$4,365.33 given in 1980). Through our district representatives and the local church work areas we hope to improve our support of these funds in 1981.

### PROGRAMS

Our Board is concerned that the United Methodist witness be made clearly and convincingly to students, staff and faculty of all colleges in our episcopal area. We commend Huntingdon College and Birmingham-Southern College for their contribution to higher education and their service to our two annual conferences. Both schools are sensitive and aware of needs for students and our churches and are striving to meet those needs in the name of Christ.

Wesley Foundation units at Auburn, Livingston, Marion, South Alabama and Troy provide programs which stretch their meager financial resources. High praise should be given to our Wesley Foundation Directors for their effective work. All, but one, of these directors are 'part-time' yet they extend themselves beyond any reasonable call to duty.

Promotion of programs and budgets of these colleges and Wesley Foundation units is our first priority for this year.

### PROPOSALS

1. We propose that the Huntingdon-Birmingham Southern College Fund be set at \$2.75 (based on conference formula) per member and that the funds be divided at 90% for Huntingdon College and 10% for Birmingham-Southern College for the year 1982.

2. We propose that every church in our conference be asked to give \$1.00 per member to the Huntingdon College Y.E.S. (Youth Education Scholarship Fund) for 1982. This will be a voluntary asking, not a line item in the apportionments which are sent out to each church. (If churches already contribute one or more Y.E.S. Scholarships, please continue to pay especially if the amount exceeds the \$1.00 per member amount).

3. We propose and request that each church in the conference set aside a Sunday — preferably the first or second Sunday in February — to have an emphasis on Huntingdon College. This observance would include information about the college and a free-will offering if the church does not have the \$1.00 per member item for Y.E.S. Scholarships in its budget.

## EDUCATIONAL MINISTRIES WITH THE CHURCH

### HUNTINGDON COLLEGE

The *Office of Educational Ministries with the Church* completed its first full conference year with a variety of programs having been completed and others underway. Appreciation is expressed to members of the *Advisory Committee* to this office which consists of representatives of Huntingdon staff and faculty, Alabama-West Florida Conference Council on Ministries staff, clergy and laity of local churches.

#### Continuing Education Events:

##### 1. FORTY TRAINED AS INSTRUCTORS OF UNITED METHODIST TEACHER TRAINING COURSES

A total of forty leaders (ministers, Christian educators, and key laypersons) from throughout the Alabama-West Florida Conference have been trained as instructors of six different United Methodist Teacher Training Courses: *Teaching Young Children*, *Teaching Elementary Children*, *Teaching Youth*, *Teaching Adults*, *Understanding and Using the Bible*, and *Foundations for Teaching and Learning in the United Methodist Church*. They are prepared to teach Sunday School teachers how to teach in local church and district events. These instructors have already taught in many local church and District training events and others are scheduled.

This is an outgrowth of a *Teacher Training and Development Event* held last fall at Huntingdon College in cooperation with the Alabama-West Florida Conference Board of Education and with leadership from The Board of Discipleship.

A second Teacher Training and Development Event is planned for October 9-11, 1981. Additional United Methodist Teacher Training Courses will be offered.

##### 2. LEADERS TRAINED IN "EXPERIMENT IN PRACTICAL CHRISTIANITY"

This past August, Dr. John and Adrienne Carr, professors at Candler School of Theology, Emory University, came to Huntingdon College for leadership training in the "*Experiment in Practical Christianity*." Thirteen leaders were trained in this program.

As a result of this training, these leaders have successfully provided this learning opportunity for two groups of laypersons at Woodland United Methodist Church in Cecil; Covenant United Methodist Church in Dothan; two student groups on Huntingdon campus; and two groups at The First United Methodist Church in Montgomery.

##### 3. PROFESSIONAL DEVELOPMENT PLANNING RETREAT

This will be held at Huntingdon College on September 9-11, 1981 with Dr. Mark Rouch of the Intentional Growth Center at Lake Junaluska as leader. This retreat is planned for ministers to establish a long-range flexible plan for continuing education and to experience growth in ministerial competence and is limited to twelve (12) participants. This program will be offered in cooperation with the Continuing Education Committee of the Conference Board of Ordained Ministry.

#### School of Laity:

##### GREENVILLE AREA SCHOOL OF LAITY OPENS FOURTH QUARTER 1981 TWO NEW SCHOOLS OF LAITY OPENED FOR SPRING QUARTER 1981

Following a successful pilot project last spring, the Greenville Area School of Laity has completed its third quarter of studies. The fourth quarter is in session at this writing.

This School provides five courses covering Foundational Studies in the Christian Faith and are designed for persons who want to increase their knowledge and understanding of the Bible and Christian faith for daily living. The Foundational Studies include Old Testament, New Testament, Theology, Church History and Christian Heritage, and Methodist Doctrine and Polity.

Instructors for the Schools of Laity are Huntingdon College faculty and adjunct faculty. Two new Schools opened in the spring of 1981. One is in the Pensacola area with First United Methodist Church, Pensacola, as host church. The second new School is for the Montgomery area and is held at Huntingdon College.

### **Institute of Religious Drama:**

#### **PULPIT PLAYERS TOUR LOCAL CHURCHES**

The Pulpit Players of the Institute of Religious Drama have followed their premiere performance of "The Harvest is Plenteous," a drama on the founding of the Sunday School, at the Alabama-West Florida Annual Conference last May with twenty-two additional performances in local churches throughout Alabama, west Florida and Georgia. The collective viewing audiences for these performances are conservatively estimated to be in excess of 4,300 persons. These performances have been primarily for Sunday morning worship services.

Persons making up the Pulpit Players are volunteers experienced in drama. They are laypersons and clergy from local churches of various denominations in Montgomery who have given hundreds of hours in rehearsals, traveling and performances.

*Religious Drama Services* will hold a Religious Drama Workshop on Huntingdon campus in late summer or fall of 1981.

Through this program, the Institute has provided scripts to local churches through their resource library.

Mary Ellen Bullard, Director

### **COMMISSION ON ARCHIVES AND HISTORY**

The Commission on Archives and History continues to work cooperatively with the Conference Depository which has become vital in record maintenance and as a research source for the Alabama-West Florida Conference. District Secretaries appointed to serve on the Commission are being urged to have the history of every church placed on file in the Depository.

Each Commission member was assigned a specific responsibility for the quadrennium:

|                        |   |
|------------------------|---|
| Mrs. F.S. Moseley      | Retiree's Breakfast and church histories  |
| Ms. Lula K. Davis      | Newsletter Feasibility Study and Liaison  |
| Ms. Alverta Hughes     | Histories of Churches originally in Central Alabama Jurisdiction and Bicentennial Liaison |
| Mrs. Alberta Grant     | Memorials, Grave Markers and related duties   |
| Dr. Alexander Nunn     | Bicentennial Liaison  |
| Mr. Douglas Purcell    | Historical Society Formation and Bicentennial Liaison                                     |
| Mr. Gary Dennis        | Bicentennial Liaison with Youth Organizations   |
| The Rev. William Barry | Ordinand's Contact and Liaison  |
| The Rev. Robert Hall   | Memorial Service Planning   |

Three Commission members attended the Southeastern Jurisdictional Historical Society meeting at Lake Junaluska. The past Commission Chairman, the Rev. W. Thad Chesser, was elected as secretary of that organization.

Lambuth Memorial Church at Blue Lake is completed and will be used during the Bicentennial Celebration. Members of the George W. and Gussie Ross Proctor family attended the March 17th Commission meeting and presented the organ, which had been refinished and restored, to the Commission. The organ was originally in the Forkland-Lambuth Church in Green County, Alabama.

The Commission voted to reprint Anson West's History of Alabama Methodism which will be sold by presubscription and during the Bicentennial. Mr. Douglas Purcell will be chairman of the project.

The Sunday following April 23rd has been designated as Heritage Sunday during the Bicentennial and every church is urged to participate.

The Bicentennial Committee consisting of the Rev. E.D. Ridgeway, Dr. Wilbur Walton and

the Commission Chairman met and would like to propose the following projects to the membership of the Alabama-West Florida Conference:

Every United Methodist to be identified by a badge which can be worn daily.

The honoring of outstanding United Methodists in our Conference.

The formation of ten new congregations by January, 1985.

The issuance of certificates honoring the founding of churches which have been established one hundred years or more, seventy-five, fifty, and twenty-five years. If there are churches or congregations older than one hundred years old, they will receive special recognition.

A program of study for Vacation Church Schools designed on the tri-part Bicentennial theme for use in 1984.

A series of musical happenings in every District, using early Methodism's music and the composition of new when feasible.

Dramas which will be used in every District and/or local church, possibly by traveling players.

Task Forces from the local church level who will instigate and execute local planning for our Third Century — from food banks to remedial church school lessons.

Art contest using the tri-part theme with the winners to be displayed during 1984 Conference.

The wearing of costumes on special Sundays, commemorating the founding of United Methodism and/or the founding of local churches and congregations. Automobile tours designed using churches on the National Register and/or the Alabama and Florida Historic Registers.

Tours, to be arranged by travel agencies, to Savannah and St. Simon's Island.

A large delegation to attend the celebration in Baltimore at Lovely Lane Chapel, January, 1985.

Displays of artifacts and memorabilia of early Methodism at local churches, Huntingdon College, Lambuth Memorial Church and other designated churches. We urge the participation of every United Methodist in claiming the past, celebrating the present and challenging the future.

### REPORT OF THE DEPOSITORY OF ARCHIVAL AND HISTORICAL MATERIALS 1981 ANNUAL CONFERENCE

One of the most vital functions of the Depository is records retention and management. The 1980 General Conference has gone on record in affirming the urgency of a good records preservation and management program in all areas of the church's activity. The General Commission on Archives and History is in the process of establishing a huge depository at Drew University and has published in the Discipline very detailed procedures mandated for the creation, preservation and management of records by General Church officers, boards, commissions and agencies. Annual Conference bodies are urged to make similar and appropriate provisions for Annual Conference records. Accordingly, the Conference Archivist is consulting with the Bishop, District Superintendents, pastors and key laymen in the church looking toward the development of appropriate procedures for the Alabama-West Florida Conference. Recommendation should be ready for action by the 1982 Annual Conference.

In the meantime the Conference Depository already has tentative plans for processing the non-current records of the officers, boards, commissions and agencies of the Conference, and valuable archival materials are being received. This year they include the minutes and published records of the Tri-Conference Advisory Committee on Merger, 1967-1973 which give a complete record of the actions of the Committee and the Conference; the records of the Sledd-Barnett Study Club 1938-1962; the non-restricted records of the Board of Ordained Ministry 1969-1975; records of United Methodist Women 1973-1980; quarterly conference records of Suggsville Circuit, 1890-1963 and Mount Vernon Circuit 1904-1905. And through

funds from the Commission on Archives and History, microfilmed volumes of the *Advocate* 1881-1976 have been purchased and stored in the Depository.

We have also received valuable contributions of books to the Depository Library from several ministers. We encourage donations of books and other materials to the Depository. Of special value are early Disciplines and Journals.

Each year at the Annual Conference session the Depository invites the delegates and visitors to an Open House between sessions of the Conference. All are encouraged to visit the Depository, ask questions, bring archival material to be deposited, participate in the book sharing started two years ago, do research or just visit.

COMMISSION ON WORSHIP

Worship is the most fundamental activity in which all the churches in our Annual Conference participate. Every church and every church member must worship, or else we lose our identity as the Body of Christ. Our Commission on Worship readily recognizes the vast importance of our area of concern, and we are committed to helping each church, each pastor, and each United Methodist layperson within our bounds to experience the joy and the grace of true Christian worship. We believe that one of the best ways to help more local churches and more individual persons to enhance their worship is through district workshops. The commission has offered such events in the past and intends to have such a workshop in every district within the next year.

The Youth Choir Camp continues to be a major project of the Commission on Worship, which provides sponsorship and some funding for this week-long summer camp. Last year the camp was held July 21-26, 1980, at Oakwood Lodge. Mr. Eugene Clement of Perkinston, Mississippi, our guest clinician, and Mrs. Cecile Keysor of Mary Esther, Florida, our dean, gave excellent leadership. July 20-25, 1981, are the dates for this year's camp.

Another area of intense involvement for our commission is the Annual Convocation on Worship for the four annual conferences in the Birmingham and Atlanta Episcopal Areas. Our commission had primary planning responsibility for the 1981 convocation, which was held in Columbus, Georgia, February 13-14, 1981. Dr. William H. Willimon of Northside United Methodist Church in Greenville, South Carolina, and Dr. Marion J. Hatchett of St. Luke School of Theology in Sewanee, Tennessee, gave outstanding leadership to this fifth annual event. A special debt of gratitude is owed to the Reverend Joseph H. Reams, past chairperson of the Commission on Worship, for his visionary efforts in initiating this inter-conference event, which has grown into an excellent resource for understanding and improving worship.

Last year the commission helped plan Annual Conference Worship by providing the *Brochure of Reports* with printed hymns and liturgies. The theme for those morning worship experiences was "Feed My Sheep." The commission plans to continue this help in the preparation and design of the worship experiences at the sessions of the Alabama-West Florida Annual Conference.

Worship is a duty, a work, and a joy; it seeks to express the faith, hope, and love of the people. The Alabama-West Florida Commission on Worship believes that if we will diligently seek to worship God with the best that we have, God will bless our efforts and receive our offering of worship.

COMMISSION ON CHRISTIAN UNITY  
AND INTERRELIGIOUS CONCERNS

The Commission on Christian Unity and Interreligious Concerns of The Alabama-West Florida Conference is under the direction of both *The Book of Discipline* (1980) and the Scriptures to promote unity and fellowship among the peoples of all faiths. The work of the Commission is stated in Paragraph 728(a) of *The Discipline* "To interpret, advocate, and work

for the unity of the Christian Church in every aspect of the life of the conference and its churches, and to encourage dialogue and cooperation with persons of other living faiths." Paul reminds us in Galatians 3:28: "There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female; for you are all one in Christ Jesus."

In order to carry out our denominational and scriptural mandate, we urge the members of our conference to work for the strengthening of our commitment to unity for the wholeness of the Christian Church and its effectiveness in God's mission to his peoples. We are encouraged to promote reconciliation among Christians of all denominations through our demonstration of the true, one form of the Body of Christ. Through our membership in the National and World Councils of Churches, we must make application of the Gospel in all of life by working together on the major issues facing the world and the churches and facilitate programs which cannot be done by any single denomination through our compassionate service to human needs.

We urge local churches to initiate ecumenical services of worship and mission in their communities. We encourage the observances of Christian unity by our congregations in promoting ecumenical programs through

- the Week of Prayer for Christian Unity
- Brotherhood Week
- Consultation on Church Union Sunday
- Reformation Sunday
- All Holy Days

Planning special ecumenical programs is important to the proclamation of the Gospel. The Church's vision must include all peoples of God through its fellowship in Christ Jesus.

Respectfully submitted,  
H. Stanley Mullins  
President

## THE AREA BOARD OF COMMUNICATION AND CHRISTIAN ADVOCATE

By reason of the passage of the merging resolution relating to the Board of Communication and the Board of The Methodist Christian Advocate by the 1980 sessions of the Alabama-West Florida Conference and The North Alabama Conference, on June 19, 1980, the new Board, as elected by the Conferences, met to organize and begin the process of consummating the merger as directed. The following persons were elected officers:

Joseph W. Lisenby, Chairman  
Ed Montgomery, Vice-chairman  
Hilda Balch, Secretary  
Deborah Walker, Treasurer

The process of combining these two agencies and offices, while appearing fairly simple on paper, has proven to be rather difficult. The Certificate of Incorporation that had been the basis of operation for the old Advocate Board had to be amended and updated to include the scope of responsibility of the Board of Communication. This, of course, necessitated an updating of the By-laws under which the new Board is to work. You will be furnished with copies of these By-laws for your study and approval.

One of the many immediate requirements of the merger was to evaluate and realign the staff. This early study resulted in the establishment of Rev. Robert Storey as Director, Ms. Harriet Williams as editor, and Mrs. Jeanne Glasgow as bookkeeper/secretary. It soon became evident that a fourth person was needed as secretary/receptionist, and a person was employed in this position.

The combining of the budgets proved to be a most difficult task. Both Boards and offices had operated for seven months of 1980 as separate entities. When the merging process began, the staff and Board had to merge these separate financial operations and also assure that there was no interruption in the work and responsibility that presented itself on a daily basis. Complicating all of this was the fact that the Advocate had begun 1980 with a deficit budget. A re-evaluation of the 1981 budgets had to be done to combine them into a single financial picture that would operate on funds already approved and measured by the 1980 sessions of both Conferences. Again, in looking at 1981 prospects, it was clear that a deficit situation existed.

The severity of the 1981 financial plight has been fully realized in the first few months of the year. At the time of the writing of this report, it is clear to the executive committee that severe measures must be taken by the Board to enable the Area Board of Communication and Advocate to financially survive in 1981, let alone to make it through 1982 with a sound financial base. It is believed that by the Conference Sessions of 1981 the Board will be able to report action taken to reduce expenditures for the remainder of 1981 and all of 1982 to ensure that operations will survive. It is possible that these actions could cause a curtailing of responsibility and programming.

Recent action by the Alabama-West Florida Council on Ministries that gave approval for the utilization of the Advocate to communicate program and activity of the Council to the local church COM by providing at least five members of the local church COM with weekly editions of the Advocate is a major step toward proper application of this medium. We applaud this decision.

The Area Board of Communication and Advocate wished to express its thanks and appreciation to Rev. Robert Storey, Ms. Harriet Williams, and Mrs. Jeanne Glasgow for their great effort, patience and commitment during these hectic months.

Joe W. Lisenby, Chairman

### **Addendum To The Report Of The Area Board Of Communication And Advocate**

At its regularly scheduled meeting on April 4, 1981, the Area Board of Communication and Advocate voted to suspend total operations and functions of the Area Office of Communication and Advocate on June 15, 1981. This decision was prompted by a combination of facts made known to the Board at that time. They included:

- 1) The total operation of the Office ended the year 1980 over \$5,000 in deficit.
- 2) Through March 31, 1981, the Area Office had expended over \$20,000 more than it had received from all sources for operations.
- 3) The deficit at the close of 1980 and the deficit through March 31, 1981, had been "covered" through use of TV Ministry Funds held by the Area Office that were unused because of the suspension in production of the Bishop's Hour program midway through 1980. In other words, the bank account wasn't overdrawn and all bills were paid but only because TV Ministry Funds were available in the account.
- 4) It was evident to the Area Board that the operation of the Area Office as it existed on April 4, 1981, could not continue throughout the year of 1981 without ending with a sizable deficit.
- 5) The Board felt that too much was being expended for administrative purposes and the income for 1981 would barely fund these costs and leave little, if any, to fund programming.
- 6) The recommended funding level for 1982, already approved and passed by the Joint Area Committee and the respective Councils on Ministry and Committee on Finance and Administration of the two Annual Conferences, would be more than inadequate for operating through 1982.

The Area Board of Communication and Advocate voted to close down all operations on June 15, 1981; release all staff effective that date; and immediately begin to revamp the structure of the Area Office to operate within the expected income for the remainder of 1981 and through 1982. This, of course, includes suspending the publication of the United Methodist Christian Advocate and all other Area Communication Office functions.

The Area Board subsequently met on May 15, 1981, at the Area Office in Birmingham, to review its own action and to discuss plans for the immediate task of evaluation/negotiation with the two Annual Conferences; restaffing of the office; and resumption of publication of the Advocate as soon as possible.

Though the Board said in its action passed on April 4 that publication of the Advocate would resume no later than January 1, 1982, the Board intends to resume publication much sooner than that date, if humanly possible.

On May 15, 1981, the Area Board of Communication and Advocate received a report on a complete audit of the books of the Area Office of Communication and was told that through April 30, 1981, the total deficit of operations for the office was \$19,155.32. This affirmed for the Board the action taken on April 4, 1981.

Present for the May 15th meeting was Mr. Spurgeon Dunnam, Editor/General Manager of the United Methodist Reporter, with whom the Board of Communication contracts for the publishing and mailing of the Advocate. Mr. Dunnam offered invaluable advice and guidance through the hours of discussion concerning the future of the Advocate and the total operation of the Office of Communication.

The May 15th meeting resulted in the Board re-affirming its action of April 4, 1981. It made immediate plans to begin discussion with appropriate committees and persons in both Annual Conferences to insure resumption of total functions and responsibilities of the Area Office of Communication at the earliest possible date.

The Area Board of Communication requests that both the Alabama-West Florida and the North Alabama Conference sessions for 1981 grant permission for the Board to negotiate with and through the Joint Committee on Area Concerns to resolve the differences in directives from the respective Conferences.

### **Addition To The Report of United Methodist Communications and The Christian Advocate Board**

On May 25, 1981, The Christian Advocate Centennial was celebrated. The Centennial Issue, published May 22, 1981, completes 100 years of publication. First published on May 25, 1881, The Christian Advocate has lived through many formats and publishing arrangements, serving Alabama and West Florida United Methodist People.

The 25 editors are: A.S. Andrews, J.W. Rush, W.C. McCoy, J.W. Christian, J.M. Mason, Z.A. Parker (editor pro tem), Thomas Armstrong, J.O. Andrew, Henry Urquhart, J.H. McCoy, Henry Trawick, J.D. Ellis, J.S. Chadwick, J.B. Cumming, J.M. Glenn, L.C. Branscomb, J.B. Wadsworth, M.E. Lazenby, F.K. Gamble, A.E. Middlebrooks, J.A. Gann, M.E. Lazenby (2nd term), Thomas P. Chalker, H.T. Hamner, Harriet D. Williams.

Christian Advocate Sunday, May 17, 1981, proclaimed by our Area Conference Council on Ministries as a special day to highlight the Christian Advocate Centennial, means that more United Methodists than ever now know about this newspaper. We are grateful for this special observance in our Area churches.

M.E. Lazenby, in his "History of Methodism in Alabama and West Florida" (Chapter 12, pg. 1096), stated, "The most encouraging thing about the church paper in Alabama and West Florida is that (the lay people) are considering (The Christian Advocate) a 'must' on their reading table."

The board of directors endorses Mr. Lazenby's statement, "This is as it should be."

### **COMMISSION ON RELIGION AND RACE**

Officers of the Commission elected for the 1980-1984 quadrennium are: William M. Pickard, Jr., Chairman; Timothy Youngblood, Vice-Chairman; Jesse D. Guy, Secretary.

The Commission met for its first meeting of the quadrennium on August 19, 1980. The following committees were set up:

Committee on Racial Inclusiveness and Elimination of Racism —

Rev. Glenn Sirmon, Chairman

Committee on Leadership Development in Ethnic Minority Churches —

Rev. Horatio Matthews, Chairman

Committee on Recruitment of Ethnic Minority Ministers —

Rev. E.D. Ridgeway, Chairman

Committee on Ethnic Church Development —

Rev. Keith Grantham, Chairman

It is the hope of the Commission that during the 1980-84 quadrennium, along with the special quadrennial emphasis on Ethnic Minority Church, our Alabama-West Florida Conference will see some giant strides made in the growth of ethnic minority churches and in racial inclusiveness throughout the conference. The committees set up by this Commission will work with the Conference Council on Ministries and other agencies of the Conference, such as The Board of Church and Society and The Commission on Town and Country Work, toward these ends. The Committee on Racial Inclusiveness will be monitoring the actions of the conference, in reference to program and also in reference to the constituency of all the conference agencies to ensure as large a measure of racial inclusiveness as is possible.

The Commission elected Rev. Timothy Youngblood as a member of the Annual Conference Committee on Ethnic Minority Quadrennial Emphasis. Rev. Horatio Matthews is the alternate member. It was decided by the Commission that a wholistic approach to all of those issues relating to minority churches should be made in cooperation with all the other agencies of the Conference, and with ethnic minority local churches. This is being done through the Conference Council on Ministries.

Plans for the future call for a conference-wide workshop on Racism and for district leadership development workshops for Ethnic Minority Churches in each district. The Commission has made sure that there is adequate minority representation in the program for the 1981 session of The Alabama-West Florida Annual Conference.

William M. Pickard, Jr.  
Chairman

Council on Finance and Administration  
Alabama-West Florida Conference of  
the United Methodist Church  
Andalusia, Alabama

We have examined the statement of receipts and disbursements of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1980 and the statement of investments at December 31, 1980. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Council's policy is to prepare its financial statements on the basis of cash received and cash disbursed; consequently certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly the accompanying financial statements are not intended to present financial position and results of operations in accordance with generally accepted accounting principles.

In our opinion, the accompanying statement of receipts and disbursements and statement of investments present fairly the recorded receipts and disbursements of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1980 and the investments held at December 31, 1980.

## HOMER LEE ANTHONY

### 1919-1980

Homer Lee Anthony was born November 30, 1919, in Phenix City, Russell County, Alabama, the son of Homer Francis Anthony and Mary Belle Lee.

He joined the Trinity Methodist Church of Phenix City and it was from this church that he was licensed to preach. It was also in Phenix City that Homer married his sweetheart of many years, Sara Margaret Golden, on April 29, 1938. To this wonderful couple were born two children, Nancy (Mrs. Leonard Ingram) and Carol (Mrs. Mickey Whatley), both of whom now live in Tuscaloosa.

Homer became a Local Pastor in 1952, ordained a Deacon in 1958, and ordained an Elder in 1960. He was admitted into full connection in 1971. To his credit is the dedication with which he continued his education, to be a more effective minister, after he was married and the father of two children. Homer attended Marion Institute and the University of Georgia. With total commitment he completed the ministerial studies through Emory University, Atlanta, Georgia.

Homer served the church with love and devotion in Shady Grove, Pike Ct., Brent, Newton, Bagdad, Excel, Mt. Hermon, Uniontown, Pine Grove-Ebenezer, Frisco City and Wesley Memorial of Opelika. While pastor of the Wesley Memorial Church of Opelika, Homer died suddenly on September 28, 1980.

Funeral services were held at Wesley Memorial on September 26, 1:00 p.m. Rev. John Lane and Dr. John E. Vickers officiating. Burial was in Phenix City, Russell County, Alabama.

Rev. Homer Lee Anthony is survived by his wife Sara; two daughters, Mrs. Nancy Ellen Ingram, Tuscaloosa, Alabama — Mrs. Carol Leigh Whatley, Tuscaloosa, Alabama; four fine grandchildren — Kimberly Ingram, Vicki Ingram, Michael Whatley, and Lori Whatley, all of Tuscaloosa, Alabama; one brother and two sisters.

Love for his Lord and his Church and his family were the hallmark of his life and ministry.

— John E. Vickers

## MARK WILSON ANTHONY

### 1916-1980

Mark Wilson Anthony was born in Phenix City, Russell County, Alabama, on April 2, 1916, and was the third of four children born to James Averett Anthony, Sr., and Edna Marsh Anthony. He was graduated from Central High School in Phenix City and from Livingston University, Livingston, Alabama, in 1951. He completed the United Methodist Conference Courses of Study for ordination through Emory University in Atlanta, Georgia.

Mark married Aeoline Little of Phenix City, Alabama, on December 15, 1936, and two children were born into their family: Larry Wayne and Terry Mark.

Mark was licensed to preach in the Alabama-West Florida Conference in 1946, was admitted On Trial and ordained a Deacon in 1951. He was admitted into Full Membership and ordained an Elder in May, 1953. He served with a deep sense of devotion and pastoral commitment the following charges within the Conference: Golden Acres, Shady Grove, Coatopa, Cain's Chapel, Bonifay, Blountstown, Thomasville, Pine Forest, Brundidge, Whistler, East Brewton, Chisholm, Pepperell, and Notasulga, which appointment he was serving at the time of his death on October 26, 1980. The memorial funeral service of praise to his life and ministry was held from the Notasulga United Methodist Church on October 28, 1980, with the Rev. John Lane, the Rev.

Glenn Napier, Jr., and the Rev. J.U. Little officiating. Burial was at the Hillside United Methodist cemetery, Phenix City, Alabama.

Mark's survivors include his wife, Aeoline, his children Larry Wayne and Terry Mark; his brothers, James Anthony, Jr., and Paul M. Anthony; and one sister Stella Lee.

Mark served his Lord and Master faithfully and effectively in and through his ministry in The United Methodist Church of the Alabama-West Florida Conference for over 34 years. His patient understanding and pastoral care has placed many lives upon the pilgrimage of the Christian way. The world is a better place because Mark W. Anthony passed through here.

## SAMUEL ELLISON HUDGENS

### 1901-1980

Samuel Ellison Hudgens was born the seventh child of William Green Hudgens and Louisa Ellison on August 15, 1901, in Crenshaw County, Alabama. He went to grade school in Vern-ledge, Alabama. He graduated from Luverne High School in 1919. He did undergraduate work at Birmingham-Southern College. He completed the required course of study in the Pastor's School at Candler School of Theology at Emory University in Atlanta. He was ordained Deacon in 1947 and Elder in 1949.

On July 20, 1929 he married Ruth Frances Todd, who was also the seventh child in her family. From this union came four children: Elizabeth Anne (Mrs. Cecil Herman Nichols), Samuel Ellison, Jr., Miriam Frances (Mrs. Robert Holland Ingram) and Emily Louisa (Mrs. Alvin Earl Watson).

The Rev. Samuel E. Hudgens was fondly known to those of us who drew strength from his ministry as "Brother Sam." Brother Sam was called to the ministry in September of 1931 in Tarrant City, Alabama. His first ministerial appointment was to Sixteenth Avenue Methodist Church in Bessemer in 1932 as supply. He came to Boylston Methodist in 1933. In 1937 he went to the Bolling Circuit. In 1941 he became Pastor at Burnt Corn, and in 1943 he went to Alabama Avenue in Selma. In 1949 he was appointed to Jay, Florida. He went to East Tallassee in 1954 and in 1957 to Linden. He was appointed to Florala in 1960 and to Niceville, Florida in 1963. Brother Sam retired in 1968, but he never stopped serving God's people until the day he died. He was a Retired Supply at Defuniak Springs, Wesley Chapel for several years. The last two years of his life he was Retired Supply for the Pine Apple Charge in the Selma District, where he left much of God's love, and considerable improvement to the church property.

Brother Sam was a unique person with an extra amount of energy and zeal for his ministry. His spirit of understanding and love drew many people to him for counseling and guidance. He was known as a builder. All across the Alabama-West Florida Conference there are buildings that stand as constant reminders of his caring ministry among the people of God. His greatest feat in building was in the hearts and lives of people, who found in him a wise counselor and a sure man of God.

He led many young people into the ministry, and encouraged many more whose paths crossed his. The writer of this memorial counts himself one who benefited by the wise and fatherly counsel of Brother Sam in his early ministry. Brother Sam could tell you how you ought to change in the most loving way, and he could affirm your strengths in a manner that made you feel like a real person.

When Brother Sam ended this earthly sojourn on June 20, 1980, his service was conducted by Dr. Henry E. Roberts, one of the young men he led into the ministry. Dr. Roberts was assisted by The Rev. Wilbur Majors. The funeral service was held at Memorial United Methodist in Selma, a church he established and built. The site was approved on November 29, 1944. His body was buried at Pineview Memorial Cemetery in Selma, Alabama; but he is not there. He has gone to be with the Lord he served so faithfully all his days. And if there is

anything that needs to be built in that new dimension, we all know who is in the middle of the effort.

We shall all miss Brother Sam, but we celebrate his remarkable life, and thank God that we knew him. Amen.

## WILLIAM JENNINGS HUGHES, SR. 1906-1981

William J. Hughes, Sr., was born September 24, 1906, in Milton, Florida. He was the son of James Allen and Clair Collene Hughes.

After being wonderfully converted in his late teens at Indian Springs, Georgia, Camp Meeting, and called to preach, and later gloriously sanctified while attending Asbury College, he faithfully served in the ministry of the United Methodist Church for 35 years.

During the first eight years of his ministry, while pastoring churches, he also taught in public schools and served as principal of two schools.

Rev. Hughes' greatest task was to organize and help build St. Mark United Methodist Church in Pensacola, Florida. He pastored this church for 15 consecutive years and received 1713 members into its fellowship.

During this pastorate, Rev. Hughes was honored with a Doctor of Divinity Degree from Asbury College.

Dr. Hughes was a man of compassion with a tender heart and a sense of humor. He loved the Lord and delighted in helping others. His most joyous times were when the Lord enabled him to help lost souls to repent and come to know Christ as their personal Savior.

We are grateful that he believed and preached the Bible as the inspired Word of God. He agreed with John Wesley that the purpose of Methodism is to preach Scriptural Holiness over the land.

For this purpose, he not only preached in his appointed churches and conducted revivals, but he also helped to organize, and served for 22 years as president of, Bethlehem Camp Meeting near Bonifay, Florida.

One of his favorite sermons was from Christ's Sermon on the Mount: Matthew 5:8. "Blessed are the pure in heart for they shall see God."

Due to prolonged illness with Parkinson's Disease, Dr. Hughes gave up the pastorate in 1963, but he continued attending worship services as long as he was able. For the last four years he was mostly confined and bedridden in his home.

While in Baptist Hospital, Pensacola, on the afternoon of January 23, 1981, the summons came for him to depart from this life to meet his Savior and Lord; where there is no pain or heartache, but peace and joy and a Crown of Life for all God's redeemed and faithful servants.

## ALBERT ROY MORROW, JR. 1917-1980

Albert Roy Morrow, Jr. was born on March 3, 1917 in Madison, Florida. He was the son of Albert Roy Morrow, Sr. and Virginia B. Morrow.

He attended elementary school in northwest Florida and graduated from Marianna High School in 1935.

He was married to Marie Sexton on February 2, 1955 at the Old Graham Air Force Base in Marianna, Florida.

Rev. Morrow served twenty-two and one-half years in the United States Air Force. During his military service he was very active in the Protestant chapel centered programs and was recognized for his creative service and devoted loyalty to the Protestant religious program with the 7513th Air Base Group. He was awarded the Appreciation Certificate for his helpful and unselfish service from the General Commission on Chaplains and Armed Forces Personnel. He was a veteran of World War II and retired from the Air Force in 1963.

No one ever worked more diligently to accomplish a goal in education than did Roy, after he retired from military service. He began his lay preaching in 1964. He was licensed to preach on October 23, 1968 and was ordained Deacon in 1971. He served as pastor of many local Methodist churches in the Marianna District of the Alabama-West Florida Conference. The churches in which he pastored were Alford, Bascom, Cottondale, Galilee, Green Hills, Greenwood, Kynesville, Westville and Shady Grove which he was serving at the time of his death.

Rev. Morrow graduated from Chipola Junior College with the Associate of Arts degree on May 12, 1969. He received the Bachelor of Science degree from Troy State University on June 6, 1975. He received his Introductory Studies from Duke University after which he studied at Emory University Candler School of Theology and received the Certificate of Attainment upon completion of a five year Course of Study in 1976 under the direction of the Division of the Ordained Ministry. He sought diligently to understand God's word, to know and do His will and to minister faithfully in God's church. In all the roles he served in his professional life, in his home, in his church and in all relationships with others he was truly, brother, husband, pastor and friend. He loved life and lived love always showing Christ-like concern for others.

He was a former Mayor of Alford, Florida and of Cottondale, Florida, Past-President of the Kiwanis Club of Cottondale, Past-President of the Methodist Men's Club of Cottondale and member of various Masonic lodges including Masonic Lodge Number 206 of Cottondale.

Rev. Albert Roy Morrow, Jr. died on August 12, 1980 at Bay Memorial Medical Center in Panama City, Florida. Funeral Services were held on August 14, 1980 at the First United Methodist Church of Cottondale with Rev. Langdon Garrison, Rev. Lloyd Kimbrough and Rev. Jeff Jones officiating. Ward, Ceaborn Sexton, Julian Thompson, Earl Holley, Charles King and Kenneth McLain. Honorary pallbearers were ministers of the Marianna District.

## JACK ALEXANDER RONEY 1925-1981

The Rev. Jack Alexander Roney died on Friday, April 10, 1981, following an illness of several weeks. He was fifty-six years of age.

Jack was raised near the Hartford community and was educated in the Geneva County School System. During World War II he served in the United States Air Force and during the Korean conflict served in the United States Army. He lived in Dothan, Alabama, most of his

life and for the past thirty years was employed with the Alabama Air National Guard, 115th Tactical Unit.

He is survived by his wife, Mrs. Betty J. Roney, and by two daughters and three sons.

Jack joined the Cloverdale United Methodist Church of Dothan on March 25, 1956. Since that time he served the church with distinction. He was a Sunday School teacher and approved Lay Speaker for twenty-three years, as well as serving in a number of other District and local church capacities. In October of 1980 he was granted a Local Preacher's license and was assigned as pastor of the Haleburg United Methodist Church.

Jack was always a person who supported both his church and his pastor with unselfishness and devotion. Although a person with great influence in the decision-making process, he demonstrated a spirit of humility and restraint at all times. He was in many ways a rather reserved person, and invariably sought to respond to situations and persons in ways which would be uplifting rather than detrimental to everyone concerned. Ministers of Cloverdale Church always found Jack to be cooperative and supportive, and for these reasons he was a man who was greatly admired and appreciated for the churchmanship he exemplified.

Although Jack Roney is no longer a part of our fellowship, his influence will remain with us for a long time to come. We will recall his life with a spirit of hope, remembering the words of Jesus, who, upon judgement day will say, "Come, ye blessed of my Father, inherit the Kingdom prepared for you."

— Thomas L. Parker

## ALTON BROOKS TANTON 1903-1980

Alton Brooks Tanton was born in Coffee County, Alabama near Elba, on December 23, 1903. He was the son of Franklin Ellison Tanton and Martha Annie Smith, and a member of a family with four other boys and one girl. On December 1, 1929, he married Willie "Melba" Matthews at The Methodist Church in Blountstown, Florida with Rev. D.Y. Register giving the marriage vows. Their two children are: Olis Alfonso Tanton of Phoenix, Arizona and Angela Carole Machado of Modesto, California. Melba Tanton died on June 22, 1958 while she and Brother Tanton were servants of the Chatom-Tibbie Charge. I assisted Rev. D.Y. Register in the funeral service on June 24, 1958.

A. Brooks Tanton married Mary Miller Stevenson of Uniontown, Alabama on August 18, 1963, while he was serving as Minister of The Methodist Church in Uniontown (1962-1965). He added to his family three additional children: Lamar E. Stevenson of Uniontown, Alabama; William Boyd Stevenson of Marietta, Georgia; and Mary Stevenson Sanderson of Uniontown, Alabama.

At the time of his death on August 6, 1980, he had eighteen grandchildren. I officiated with Rev. Garry Williams and Rev. Virgil Pino at his funeral on August 10 from The United Methodist Church in Uniontown, Alabama. Graveside Masonic rites were conducted by the officers of The Grand Lodge of Masons of Alabama. Brother Tanton always referred to me as: "His Spiritual Son in The Ministry." I did answer God's Call to His Ministry when Brother Tanton was my Pastor at Louisville, Alabama.

Alton Brooks Tanton received two calls from God — one as Minister in The United Methodist Church and the other in Masonry, where he traveled throughout the world. He served with distinction in both, and in every way God's Name was lifted above every Name. He was licensed to preach in 1928; admitted into Alabama-West Florida Conference November, 1931; received Full Connection on November 22, 1934; ordained as Deacon in 1934 and as Elder in 1939. He received the retired status in 1969. Most of his education he obtained while he served many country churches and cared for his family. His motto was: "No book but the Bible; No law but Love; No creed but Christ!" Each of his pastorates was enriched through his labors of devotion, dedication, and determination. He received appoint-

ments to: DeFuniak Springs Circuit, Cottondale, Samson, Burge Memorial (Montgomery), Louisville-Clio, Newton, Frisco City, Flomaton, Plateau, Chatom, Uniontown, New Brockton. For ten years following retirement, until doctor's orders stopped him on July 19, 1979, he preached God's Good News.

He was active with the Boy Scouts, the Red Cross, and served as Grand Chaplain of Alabama Grand Lodge of Masons for the past ten years. In 1980, he and his wife, Mary, were honored to represent the Grand Lodge of Alabama to the Grand Lodge of Israel, where he was made an honorary member of The Holy Land Lodge No. 50 of Israel.

In the forty years of my association with Brother Tanton, he has been such a strong influence, a steady encourager and a supportive presence. He gave himself completely to others and lived every day as a dedicated Christian serving The Lord! He was a gifted man with a strong faith, good student of the Bible, and enthusiastic gardener, a master at his trade of making and repairing clocks, and a loyal friend to young people. Brother Tanton placed a lighted Cross pointing persons to Christ's Gift and an accurate clock telling the preacher when to stop in many of the Churches throughout our Conference.

Brother Tanton served as dean of men at the Youth Assembly for twelve years. Many ministers of our Conference remember his wise counsel, his concern, his compassion, and his challenge to put "Christ Above All."

Alton Brooks Tanton was a dedicated Christian: "A Mind through which Christ thinks; a Heart through which Christ loves; a Voice through which Christ speaks; a Hand through which Christ helps."

## RESOLUTION ON INSURANCE

I move that this Annual Conference refer this matter of a provider for Health Insurance coverage to the Conference Board of Pensions, and that we empower that Board to choose the most viable plan and contract with the selected provider for the selected plan of coverage, and that a summary of the rationale for the choice of *provider* and *the plan* be communicated to the members of this Conference on or before July 1, 1981, together with a disclosure of rates, benefits and any other information that the Board of Pensions may deem to be of interest or concern to the members of this Conference.

Thomas L. Butts, Jr.

## RESOLUTION

**Whereas**, the Alabama-West Florida Conference in session May, 1976, adopted the report of a study committee that set forth a standard of excellence for the parsonages of said Conference;

**And Whereas**, it is needful for our Conference to have those standards kept before us, and to renew them with consistency;

**Be It, Therefore, Resolved** that this Annual Conference calls for the printing of this report in the forthcoming Conference Journal and a review of this report by an appropriate committee from the Council on Ministries in future years.

Rev. Jimmie R. Spikes

## A MOTION

I move that the parsonage guides of the 1976 Annual Conference be printed by the Conference office and made available to the Conference by the Council on Ministries.

Lester Spencer

## RESOLUTION

**Be It Resolved** that the Alabama-West Florida Conference loan to the Pacific and Southwest Annual Conference (California, Arizona and Hawaii) from funds available an amount equal to 8% of our World Service asking (\$31,041.00), interest free, to be repaid on or before 1990, for the purpose of amortizing the indebtedness on the Pacific Homes case.

Thomas L. Butts, Jr., Chairman  
Council on Finance and Administration

## RESOLUTION

**Whereas**, the 1980 General Conference of the United Methodist Church adopted as one of the five special programs an emphasis on the church and campus, **be it resolved**, that the Alabama-West Florida Conference direct the Board of Higher Education and Campus Ministry to explore the following concerns regarding Huntingdon College:

(1) The place of the church in relation to the college including the expectations of the church toward the college, and the college toward the church,

(2) Ways to enhance the image of the college and increase student enrollment,

(3) Ways to better clarify and communicate the mission of the college and help the college carry out that mission to the conference and the world,

**Be It Further Resolved** that the results of this study and exploration be reported to the 1982 session of Alabama-West Florida Conference, along with recommendations as to how the conference might assist the college in dealing positively and effectively with these concerns.

## RESOLUTION

**Whereas**, within recent years, a series of natural disasters — tornadoes, hurricane, and floods — has devastated wide areas within the Alabama-West Florida Conference, causing intense human suffering;

**Whereas**, the United Methodist Committee on Relief (UMCOR) has immediately and unfailingly responded whenever we have sought financial and human resources;

**And Whereas**, especially Dr. Harry Haines, Rev. Paul Morton, and Ms. Virginia Miller have offered their presence, guidance, and encouragement;

**Therefore, Be It Resolved** that the duly elected delegates of the 1981 session of the said Annual Conference do hereby express undying gratitude to UMCOR for those resources that have enabled United Methodism in our area to be in the forefront of those who have contributed to recovery and healing;

**And Be It Further Resolved** that the Alabama-West Florida Conference pledges its commitment and determination to be involved with UMCOR in its many relief ministries throughout the world, wherever and whenever the love of Christ is shown in attending to those who are in need.

## RESOLUTION ON CAPITAL PUNISHMENT

**Whereas**, the General Conference of The United Methodist Church meeting in Indianapolis, Indiana, in April of 1980, passed the following resolution: "In spite of a common assumption to the contrary, 'an eye for an eye and a tooth for a tooth', does not give justification for the imposing of the penalty of death. Jesus explicitly repudiated the *lex tallionis* (Matthew 5:38-39) and the Talmud denies its literal meaning, and holds that it refers to financial indemnities.

When a woman was brought before Jesus, having committed a crime for which the death penalty was commonly imposed, our Lord so persisted in questioning the moral authority of those who were ready to conduct the execution, that they finally dismissed the charges (John 8:31f).

The Social Principles of The United Methodist Church condemns "... torture of persons by governments for any purpose," and asserts that it violates Christian teachings. The church through its Social Principles further declares, "we oppose capital punishment and urge its elimination from all criminal codes."

After a moratorium of a full decade, the use of the death penalty in the United States has resumed. Other Western nations have largely abolished it during the twentieth century. But a rapidly rising rate of crime and an even greater increase in the fear of crime has generated support within the American society for the institution of death as the punishment for certain forms of homicide. It is now being asserted, as it was often in the past, that capital punishment would protect law-abiding citizens.

The United States Supreme Court, on *Gregg V. Georgia*, in permitting use of the death penalty, conceded the lack of evidence that it reduced violent crime, but permitted its use for purpose of sheer retribution.

The United Methodist Church cannot accept retribution or social vengeance as a reason for taking human life. It violates our deepest belief in God as the creator and the redeemer of humankind. In this respect, there can be no assertion that human life can be taken humanely by the state. Indeed, in the long run, the use of the death penalty by the state will increase the acceptance of revenge in our society and will give official sanction to a climate of violence.

The United Methodist Church is deeply concerned about the present high rate of crime in the United States, and about the value of a life taken in murder or homicide. When another life is taken through capital punishment, the life of the victim is further devalued. Moreover, the Church is convinced that the use of the death penalty would result in neither a net reduction of crime in general nor in a lessening of the particular kinds of crime against which it was directed. Homicide — the crime for which the death penalty has been used almost exclusively in recent decades — increased far less than other major crimes during the period of the moratorium. Progressively rigorous scientific studies, conducted over more than forty years, overwhelmingly failed to support the thesis that capital punishment deters homicide more effectively than does imprisonment. The most careful comparisons of homicide rates in similar states with and without use of the death penalty, and also of homicide rates in the same state in periods with and without it, have found as many or slightly more criminal homicides in states with use of the death penalty.

The death penalty also falls unfairly and unequally upon an outcast minority. Recent methods for selecting the few persons sentenced to die from among the larger number who are convicted of comparable offenses have not cured the arbitrariness and discrimination that have historically marked the administration of capital punishment in this country.

The United Methodist Church is convinced that the nation's leaders should give attention to the improvement of the total criminal justice system and to the elimination of social conditions which breed crime and cause disorder, rather than foster a false confidence in the effectiveness of the death penalty.

The United Methodist Church declares its opposition to the retention and use of capital punishment in any form or carried out by any means; the Church urges the abolition of capital punishment."

**Therefore, Be It Resolved** that the Alabama-West Florida Conference of the United Methodist Church meeting at Huntingdon College, Montgomery, Alabama, May 1981, does hereby affirm the 1980 General Conference resolution on capital punishment.

Respectfully submitted,  
W. Judson Stinson and other ministers

## EL SALVADOR AND THE CHURCH

The people of El Salvador are today threatened with indescribable violence. The Archdiocese of San Salvador reports approximately 10,000 civilians killed during 1980. Bishop Kelly, the General Secretary of the U.S. Catholic Conference has written: "The Church in El Salvador has shared fully in this suffering; it has made unmistakably clear its preferential option for the poor; it has embraced the pastoral task of accompanying the people in their hope, in their struggle and in their suffering; and it has paid dearly for commitment."

On February 17, 1980, shortly before his assassination while serving the Eucharist in a San Salvador hospital chapel, Archbishop Oscar Romero wrote to the President of the United States urging an end to military aid. The 1980 General Conference of the United Methodist Church endorsed that call, urging the U.S. Government to "cancel the shipment of military supplies to El Salvador" and expressing "regret, sympathy and solidarity with the people of El Salvador for the loss of their spiritual leader."

Bishop Arturo Rivera y Damas, Apostolic Administrator, priests and women religious of the Archdiocese of San Salvador issued a statement on December 5, 1980, to "all Christians, the Salvadorean people, and all men and women of good will throughout the world." The statement read in part: "The Church is persecuted because it speaks the truth ... truth which irritates the powerful. The Church is persecuted because it has taken a preferential option for this country's poor, who for centuries have been oppressed by unjust structures and who today continue being oppressed with a virulence bordering on the unbelievable."

"The majority of these acts perpetrated against the Church have been carried out by members of the security forces and para-military organizations ... Therefore we hold the security forces and ultra-rightist groups responsible for the persecution against the Church and specifically for the assassination of priests and lay pastoral workers."

Except for a short period of time following the murders of four North American women, U.S. aid has continued to flow to El Salvador. That aid now includes helicopters, M-16s, ammunition, grenade launchers, and other "lethal" weapons, and an increasing number of military technicians and advisors.

In light of these tragic developments, the Alabama-West Florida Conference of the United Methodist Church does hereby affirm the 1980 General Conference Resolution on El Salvador, and suggests the following specific steps for individual and local church consideration:

1. As followers of the Prince of Peace, we condemn all acts of brutality, violence and repression against God's people anywhere, but particularly as evidenced today in the nation called "The Savior", El Salvador.

2. The pastors and laity of our churches are urged to lift up in prayer during weekly worship services the suffering of the Salvadorean people.

3. The pastors and laity of our churches are urged to communicate in writing with President Ronald Reagan; Secretary of State Alexander Haig; Senator Charles Percy, Chairperson of the Senate Foreign Affairs Committee; and our individual senators and representatives, with the following message:

- a. We express deep concern over the continuing persecution of the people and the Church in El Salvador.

- b. We join the U.S. Catholic Conference and other religious groups in calling for an end to all United States military aid to El Salvador.

c. We urge a Congressional Resolution calling upon all other governments and outside groups to terminate all military aid to El Salvador, including all groups and parties operating therein, with a request that the United Nations be asked to establish a system to monitor the situation.

4. We urge the appropriate general and conference agencies to prepare and distribute updated materials on Central America, to enable United Methodists to become better acquainted with the people, the history, the current struggles for peace and justice, and the life and witness of the Church in that turbulent region of our world.

## A CABINET VIEW OF THE SPIRITUAL STATE OF THE ALABAMA-WEST FLORIDA CONFERENCE

One finds it difficult to locate the "spiritual barometer" of an individual or church, much less an Annual Conference.

There appears to be a hunger for spiritual growth within our Annual Conference. This is manifest in the good response reported by each District Supt. to Bishop Robertson's challenge to participate in the recent "Proclaim the Word" event. There was good attendance and participation in these efforts, which indicates that these services were speaking to the specific needs of our church people.

Across the Conference there appears to be an appeal from our people for a strong pulpit message and strong administrative leadership from their minister. A strong pulpit message is needed to challenge personal spiritual growth, while an aggressive administrative leadership must emerge to call laymen to fulfill their responsibility in the spiritual growth of the local church. Many are committed to strengthening their local church but need pastoral direction.

You will see that in 1980 this Conference had a net loss of 403 persons, the first such loss since 1975. However, in studying the statistics for each year, we find that in 1980, this Conference received 7951 new members, the largest number of new members received for a single year of the previous six years. On profession of faith, the 2724 new members received was the largest in the previous six years.

In 1980 we also had the largest loss of the six years; a loss of 8354 members. Taking into account all of these findings, our new members received in 1980 was 7.18% over the average of the six year period, while our loss was 22.7% higher than the average for the six years. The loss centered primarily in the removal of members by Charge Conference action, which was 49.2% greater than the average for the six years.

In spite of a negative net growth in 1980, we secured the largest number of new members in this six year period. Most importantly this large number was received by profession of faith.

Four new churches, The Korean United Methodist Church in the Montgomery District, Covenant United Methodist Church in the Dothan District, Christ United Methodist Church in the Mobile District and the Lillian United Methodist Church in the Pensacola District have been organized in this six year period.

However, we cannot rest on past gains but must seek to build new congregations where needed. We must continue to develop a Christian awareness in all our congregations in order that people will be persuaded to make a confession of faith in Christ as personal Lord and Savior and then unite with our local congregations.

An evangelistic thrust through the continuation of the follow up program of "Proclaim the Word" by each local congregation will insure the future dynamic spiritual life of this Annual Conference.

## REPORT OF THE COMMITTEE ON COURTESIES AND INTRODUCTIONS TO THE ALABAMA-WEST FLORIDA CONFERENCE

The 153rd session of the Alabama-West Florida Conference opened Sunday evening at the Aldersgate Church in a most meaningful service of Holy Communion. In the setting of this new spacious sanctuary, we felt welcomed and that family had gathered once again. We thank the Rev. Roy Sublette, his staff, choir and many lay people of this growing congregation, who did so much to make us feel at home.

The First United Methodist Church hosted the ordination service and reception for our honored guests. With a touch of charm and taste (as they know well how to do) the Rev. Tom Butts, his cordial staff and members provided us with a lovely environment to celebrate with our new ordinands and their families. This church has graciously hosted this event for more than thirty years and we express our deep gratitude.

To have been together these four days on the beautiful campus of Huntingdon College and to have been recipients of the hospitality of President Jackson and his fine staff has further enhanced the fellowship and enjoyment of our time together.

It was obvious upon arrival that careful planning and detailed preparation had been made for us. A special note of appreciation goes to Charles Langford and his secretarial staff and to Gerald Maddox, Conference Registrar and his staff for their work on our behalf.

Many visitors and guests honored us with their presence. The ministers and their families of The North Alabama Conference came to affirm our brotherhood and to get a preview of their new presiding officer. Especially, were we grateful for the message of the fraternal delegate from the North Alabama Conference, the Rev. Burl Oliver. Former Governor George Wallace spoke to us on his tested faith and his compassion for the handicapped. Dr. Ezra Earl Jones, the newly elected head of the Board of Discipleship, spoke of the mandate of evangelism. Representatives from seminaries, colleges, denominational agencies and missionaries made us aware of the breadth and depth of our connectional system. Among these honored guests was Mary McMillan, former missionary to Japan, who after 40 years of service, attended our Conference for the first time. The banner on the south side of the auditorium has reminded us in a vivid, visual way that we are a world church.

The worship services of our Conference became events of experiencing the "word come alive." The singing of the Wesleyan hymns and the special music by the various choirs warmed our hearts and strengthened our faith. The preaching of the word was delivered so eloquently by Bishop J. Chess Lovern. His quiet, yet profound manner of presentation and thought-provoking content challenged us to never be "pretty good" or "just almost" ever again.

How grateful we are for our new episcopal leader. In a warm, personable, fair, and sensitive manner, flavored by firmness, directness, and insight, he has guided and gently prodded us through the complex and significant work of our Conference. He has presided with ease and grace during these past four days, and for him and his ministry among us, we are grateful.

Henry E. Roberts, Chairman
